Dear Ms. Springer:

Thank-you for writing to me about the Hintz family line. I checked all my records and can not make any connection between your Hintz' and mine. I am sending you a copy of all the information that I have about the Hintz. I am having a lot of trouble with this line of my family tree. So far, I have not been able to locate anyone in the U.S. that connects. I plan to keep trying.

Please compare the information I am sending you with your records. if you find a connection, I would appreciate any information you could provide me. I will also keep your letter and if any of the people that write to me about Hintz' seem to connect to what you sent I will let you know.

Sincerely,

Sharlene Miller

Dear Ron,

Thanks so much for answering so quickly. Only another researcher could understand what it's like to wait. To make a long story short, it took 10 MONTHS and three different Freedom of Information Act forms to get my father's Declaration of Intent papers from the District Court in Chicago (I even had the original Certificate!).

I've just been in this a year (seems more like 20!). I kind of backed into it after writing for those naturalization papers and was hooked before I knew it. It has paid off. On my father's side, I am an only child and only grandchild; and I found my closest living relative--a second cousin--in Sweden. It turns out he has traced my grandfather's line back to the 1500's. Because of the patronym system, his information has been an enormous help. My biggest challenge is corresponding with the Swedish dictionary in hand.

What a thrill it would be to get to Utah. We stopped and saw the church several years ago on the way to California and have passed through Salt Lake since. If I had known then what I know now...! We have two daughters at Purdue, and that's certainly putting a crimp in our travel plans. One more year, and hopefully we can take start traveling again with our eight year old.

I've had some real problems researching the Hintz line. I've checked everything from the Hamburg passenger index and Suderhastedt marriage index to censuses, marriage records, death certificates, cemetery records, and Social Security applications. There were no obituaries for Henry, Marie or Emma.

Hope to make it to Chicago before too long to check out probate records and the possibility of land ownership.

The Hintz' emigrated in 1879 or 80, and Henry died in 1890. According to the Chicago Archives and microfilm, he did not apply for citizenship.

It took five months to get John's naturalization certificate (for a Minor) from his 80 year old daughter. I sent for his papers, only to find the place of birth listed as "Germany"--and no blank for date of arrival. She said she doesn't have any other papers.

Marie Hintz lived with my grandparents until her death, and my mother (who is a saver by nature, goodness) said nothing but the cup from Suderhastedt ever turned up.

Thanks so much for the court jester story--we'll keep that one in mind. I heard about another "Hintz". My uncle told me he heard a Hintz was captain of a German ship during WWII. In the book Hitler's Naval War, Fritz Hintze (or Hinz--there were 2 spellings) was the Captain of the Scharnhorst. No biographical information was given.

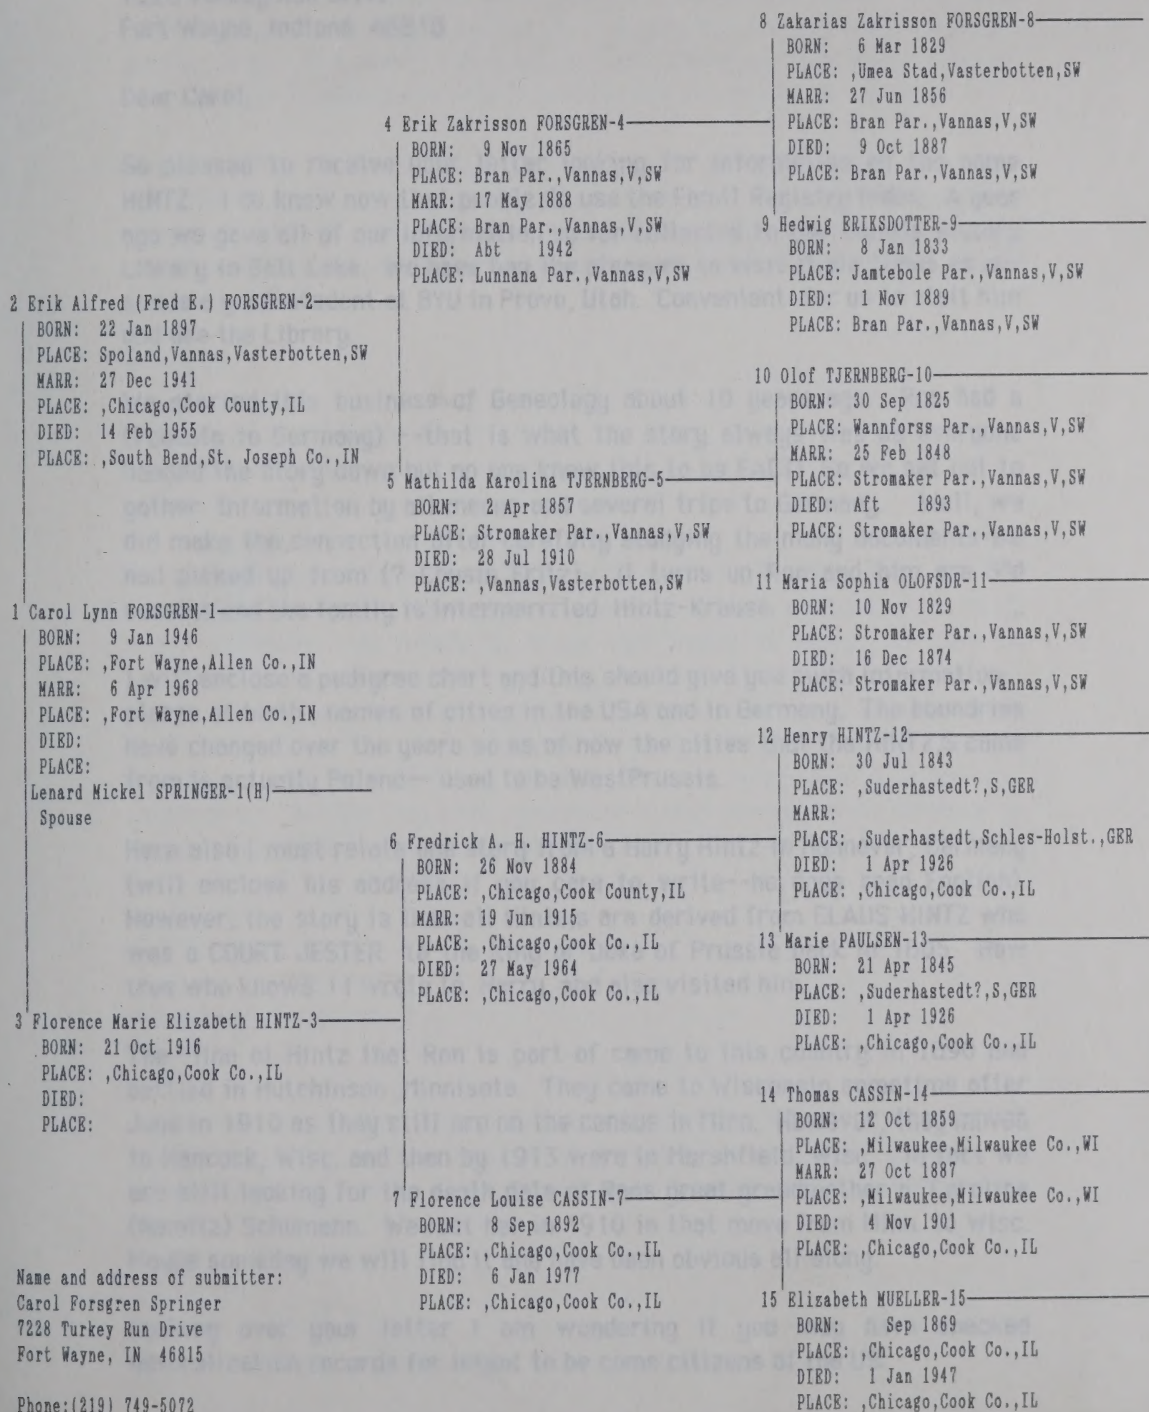

I did want to mention that our library is having a genealogical conference this summer that promises to be quite a big event. Just picked up a schedule at the library and am sending it separately, in case you might be interested.

Sincerely,

Dear Carol,

So pleased to receive your letter looking for information on the name HINTZ. I do know now that people do use the Famil Registry Index. A year ago we gave all of our information so far collected to the Family History Library in Salt Lake. We have had the pleasure to visit it six times as our son is a grad-student at BYU in Provo, Utah. Convenient for us to visit him and use the Library.

We started this business of Geneology about 10 years ago. Ron had a (?cousin in Germany) --that is what the story always was as everyone handed the story down but no one knew this to be FACT! So we set out to gather information by all means and several trips to Germany. Well, we did make the connection after carefully studying the many documents we had picked up from (? Cousin Fritz). It turns up Ron and him are 3rd cousins and the family is intermarrried Hintz-Krause.

I will enclose a pedigree chart and this should give you much information: places of birth, names of cities in the USA and in Germany. The boundaries have changed over the years so as of now the cities that the HINTZ,s came from is actually Poland-- used to be WestPrussia.

Here also I must relate one story from a Harry Hintz in Hannover, Germany (will enclose his address if you care to write--he does read English). However, the story is that all Hintz,s are derived from CLAUS HINTZ who was a COURT JESTER to the King or Duke of Prussia back in 1605. How true who knows !! I wrote to Harry and also visited him.

The line of Hintz that Ron is part of came to this country in 1890 and settled in Hutchinson, Minnisota. They came to Wisconsin sometime after June in 1910 as they still are on the census in Minn. However, they moved to Hancock, Wisc. and then by 1913 were in Marshfield, Wisc. In fact we are still looking for the death date of Rons great grandmother a Caroline (Nemitz) Schumann. We lost her in 1910 in that move from Minn. to Wisc. Maybe someday we will find it and have been obvious all along.

Looking over your letter I am wondering if you may have checked naturalization records for intent to be come citizens of the US.

I found that this will give a lot of information the ship that they came to this country on ,the city or villiage they lived in Germany, and etc.

I do not know if the Hintz name in your line had been changed---but when our Hintz line came they added the T , before that it was HINZ however pouring over many many old records from Germany it is spelled either way---guess it depends on who was doing the entries in the records.

Guess this has not helped very much to answer your question ___If we are some how related, but to find some connections in this business you take the most unlikely routes. I have found some of the best information to come from the "INLAWS". For some reason they have saved the old papers and memorabilia.

Also you may want to write a Myron Gruenwald in Oshkosh, Wisc. He has compiled a wealth of information on names of who to contact of the same same surnames. He would be more that happy to reply. In fact he publishes a news letter which you may be interested in. His wife in fact is a 3 'd cousin of mine and actually there has been a Family Reunion in our family the Sukow-Gorges ---for over 50 years always on Fathers Day. It was Myron who started to put it down if some form to form a basis of information. Before that I can remember it was always drawn on sheet or large sheet of paper to resemble a tree .

Dear Mr. Hintz:

I am researching the Hintz line and found your name in the Family Registry Index. The reason your name was of special interest to me is that my uncle remembers being told there were Hintz relatives in Wisconsin.

My great-grandparents, Henry and Marie Hintz emigrated from Germany in 1879 with their two children, John and Emma. The only clue I have to their home in Germany is a commemorative cup from Suderhastedt (Schleswig Holstein) which pictures the church where they were married. Henry Hintz was a shoemaker, and they lived in Chicago until his death in 1890.

Following is the information I know:

born	Henry Hintz 30 Jul 1843 Germany	born	Marie Paulsen 21 Apr 1845 Germany		
died	21 Apr 1890 in Chicago	died	01 Apr 1926 in Chicago

Dear Ms. Taylor:

Henry Hintz was a shoemaker, and they lived in Chicago until his death in 1890. I have checked the Hamburg passenger list and microfilm #1198766 for a marriage record with no luck. Henry Hintz was here only 10 years before his death and was not naturalized; and the papers his son John filled out after age 21 did not list a date for emigration or specific birthplace. I have not been able to check land records in Chicago yet, but I don't believe they owned property.

They are not listed in the 1880 census, and no specific information is listed on their death certificates.

Following is the information I know:

Dear Carol,

I received your letter with regards to the Hintz family and will give you what information I have. I honestly cannot tie in to any family at this time, but I will give you what I do have to date. This has indeed been a difficult line to search. In order to understand why little cooperation has been offered to date deals with a split up family, and a lack of knowledge, not to mention a lack of living family members who would have the facts. My family are all very open minded old German Lutherans, they just don't see the importance of the work and it forces them to face the problems which their mother, (my grandmother) created during her youth. Those are hard facts for them to deal with.

August Friedrich Gliebkie came to the U.S. in 1861 from Meesow, Prussia to serve in the Civil War. When the war ended in 1865 he returned to the Wausau, Wisconsin area and was given his citizenship automatically from the government, and a sizeable amount of land to farm. On 08 November 1866 he married Maria T.W. Heinz (also spelled Hintz). The marriage certificate lists Maria's father as Friedrich Heinz and her mother as Minna Schroeder. They had seven children, of which only two survived to adulthood. One of those was Carl, my grandfather and his sister Albertina. Carl married Hulda Gall, another German descendant from the Wausau area. In 1910 their sixth child was born, and died in November. We don't know all the circumstances, but grandmother told grandfather that she wanted a divorce, loved another man, and was pregnant by this other man. Grandfather went into the hospital on the verge of a breakdown. Meanwhile grandmother gave the five remaining children to the state of Wisconsin to place for adoption and or foster homes. My mother was now the baby and was the only one adopted. The others were placed into foster homes and used as farm laborers. My Aunt Ruth was treated well, but the homes my uncles were placed into were terrible. In the 1920's the other four children found each other and my grandmother with her "man" and seven more children. In 1928 they all found my mother. My mother was the only one who really forgave grandmother, the other four understandably never quite got over it all. Now all of the five children from the first marriage are deceased. My grandfather died in 1951 which finally permitted my grandmother to remarry. He had been in the county hospital all those years which stopped my grandmother from getting a divorce. The seven children by the second "man" just found out that their mother and dad didn't get married until 1951.

At a family reunion two years ago I let out the facts, and they broke down and sobbed. They honestly never knew what their mother had done. But I had in my possession letters from my grandmother and one uncle and my mother which proved what had taken place. The children from grandmother's second marriage really don't have a lot of information and what they do have has been shared easily. They said their mother never spoke about family, I guess it was because it really was her first husband's family. But she didn't even speak of her own. The old time Germans were very tight mouthed as I have learned over the years.

I am really sorry that I don't have more information to help you, but as you can tell, I don't have much to go on and am struggling myself for information. The chances are if we were to go back another generation, we probably could "tie in" the fact that they were related. This family has been my most difficult line to search and has caused me many a tear. I have found all the graves and have taken pictures of them. I have invested money to fix damaged headstones, but I still haven't had anyone enlighten me while in the genealogy library as to where to turn. Even these ancestors haven't been helping me find their records. My other lines just lead me to books and films where they want me to search. It never ceases to amaze me.

I have had my genealogy on the back burner for over the past year due to my daytime work and a very busy church position. But one week ago some of my time was restored to me so I will now be pursuing this work again.

I will keep your name and address in my book and if I can locate anything which may be of assistance to you, I will send it your way.

I am sure when the time is right, our ancestors will lead us to their records with open arms and will accept the work being done for them. Until then all we can do is keep trying and asking for divine intercession.

if I can be of any further assistance in the future, please do not hesitate to contact me. I will do all that I can and if I run into something in Wis. on your family line, I will forward it to you. Thanks again for writing me. I hope we can tie in so that there is more than one of us working on a line. I just recently located another family member who has joined the Church and is interested in this line. I have given her all the information I had too so if you locate the name Cheryl Stark on the registry, she has what I have.

Good luck in your searching.

Sincerely,

Cheryl

Dear Ms. Miller:

I am researching the Hintz line and found your name in the Family Registry Index. Most of my (Hintz) family lives in the Chicago area, and my grandfather told my uncle there were some relatives in Wisconsin. It didn't appear that there would be a connection, but I thought it couldn't hurt to write.

My great-grandparents, Henry and Marie Hintz emigrated from Germany in 1879 with their two children, John and Emma. The only clue I have to their home in Germany is a commemorative cup from Suderhastedt (Schleswig Holstein) which pictures the church where they were married. Henry Hintz was a shoemaker, and they lived in Chicago until his death in 1890.

Following is the information I know:

born	Henry Hintz 30 Jul 1843 Germany	born	Marie Paulsen 21 Apr 1845 Germany		
died	21 Apr 1890 in Chicago	died	01 Apr 1926 in Chicago		
Daughter	Emma	Son	John H.	Son	Frederick A.H.
born	___ Mar 1873 in Germany	born	02 Feb 1876 in Germany	born	26 Nov 1884 in Chicago
died	13 Sep 1907 in Chicago	died	10 Jul 1965 in Alameda, CA	died	27 May 1964 in Chicago

Sorry I can't be more specific--all the records I've checked from censuses to birth, marriage, cemetery and naturalization records have yielded nothing helpful so far.

I would appreciate hearing if you think there might be any family connection. I'm enclosing a self-addressed stamped envelope for your convenience.

Sincerely,

Carol Springer:

Your letter of July 22nd sent to my cousin Glenn Hintz, was forwarded to me from him requesting I send you such information as we might have about the Hintz family.

Our records show Carl Louis William Hintz was born June 11, 1850 in Stargard, Pomerania and made the trip over to America in 1857 as a young boy of 7 years of age.

C. L. prospered in America, and ended up owning a grocery store and saloon on 16th & Fon du Lac in Milwaukee which eventually became the site of the Sears Roebuck store in Milwaukee.

His wife, Bertha, thought it was a poor place to raise children and talked him into trading the business for a farm, which they did. Some young Jewish men worked for grandfather in Milwaukee and when they heard he was going to take up farming they said they would go along too. "What do you know about farming?" "As much as you do."

It turned out to be an excellent arrangement, as the two Jewish young men would clean up and go into Milwaukee by train Friday afternoon and would come back after Sundown Saturday night. Thus they observed the Jewish sabbath while my grandparents had time off from the farm to observe the Christian sabbath.

My granddad thought it would be a good idea to get two more hired men from the Moslems as they observed Friday as their holy day, and if they were on hand, they could all have a 3 day weekend!

Moses was the name of one of these Jewish men and he taught me many things about Judaism. There was never any anti-semitism in our family. I now have a Jewish grandson who is a doctor in Florida by name of Gomez, descended from Cuban refugees. I belong to Central Christian Church here in Pueblo. 32°d:mason.

I have been editor of The Bulletin of the Vorpapel Family Association for over 25 years. The pages about the Hintz family come from that source. Be sure and see the pictures on page 7 showing the "hot-rodders" of 1916--both Uncle Louie and Uncle Bill are pictured wearing white silk scarves around their necks.

One of the crack Swedish Infantry Regiments in Pommern was named "The Star of Hintz" and there are a few records about it only for the years 1790-1791.. A coat-of-arms showing this was registered in Vienna December 5, 1753...at this time Pommern was still Swedish occupied, and Prussia was not yet the leader of the German states.

Good luck on your researching!

Do you know where in Germany your family came from?

Pommern (Pomerania) Eastern part called Hinter Pomerania now part of Poland.

Pommern under Swedish occupation about 1615-1815. Some Hintz's served in the Swedish army.

Do you know which relative came over (grandfather, etc.)?

See the special Hintz family issue.

Or do you know of anyone I could write to who might know?

No.

We should discover our past. Only then can we learn our limitations and come in time to understand life with compassion.

Our history and our traditions remind us of what we have suffered and what we have carried on our shoulders.

Names: It wasn't until the 11th, 12th, 13th or 14th centuries that they became hereditary--that is, in any true sense stationary. One name was common before the Crusades. (A Roman citizen had a three-fold name: personal-clan name-surname...praenomen -clan- cognomen.) Most names come from these sources:

1. Place of residence, present or past;
2. The occupation;
3. The father's name;
4. A descriptive nickname.

Coats-of-arms came into being at the time of the Crusades--to identify, friend or foe? At first only the nobility had them, but they became very popular and soon spread to all classes. Since most people couldn't read nor write, this system of hieroglyphic picture-writing made identification easy, on armor, houses, books, cattle, clothes, etc. The majority of the coats-of-arms were 'vocal' that is, the name was expressed in the picture on the ARMS and very often in a concealed manner French is the language of Heraldry. Heraldry's present popularity is attributed to a spirit of rebellion--against uniformity, the impersonal, the transient, parental irresponsibility, and the rising divorce rate. Heraldry is individual, personal, perpetual, a symbol of the unity of the family. The family was here before the nation-states and will be here long after they are gone.

Edition No. 5

In order to give you a better idea of how these Reminiscence Sheets can be developed, this issue has been built around the answers furnished by my father, Arthur F. Vorpagel; and my mother, Emma (Hintz) Vorpagel; both of whom live at 2160 North 35th Street, Milwaukee 8, Wisconsin. This issue could properly be called:

Special Issue: The Hintz Family

This idea could be used with profit by everyone in the Association in developing the family lines of their wives, mothers, and even grandmothers. (When you do your work, would you please put in a carbon and send me a copy?)

Also included in this issue is a family chart furnished by Russell Vorpagel of Detroit, Michigan; and a map showing the location of Pomeranian towns whose names have appeared in the Vorpagel charts, by Mr. Ferdinand von Schwedler.

~~~~~

Copies of this issue are going to members of the Hintz family listed herein. Perhaps some member of the Hintz family would like to progress this idea further and become the starter for a "Hintz Family Association" and record all of the available information about this family. We have had some correspondence on this subject with Arlene Hintz of 301 W. Newhall Street, Waukesha, Wisconsin. Another skilled resource person would be: Mrs. Arthur H. Nuernberg, 1567 McDaniel Avenue, San Jose, California--for years, Martha has published a family news bulletin around Christmas time high lighting the family experiences for the year, and she has done this in an interesting manner. If you think this should be done, would advise you to write to Arlene and Martha, giving them your ideas, and urging the formulation of the project. Perhaps these two people could be talked into making a beginning...

Copies are also going to the following Hin-z's, and we would be pleased to hear from them whether or not they are related to the Wisconsin Hintz group:

Denver Area: Fred Hintz, 155 Garnet, Broomfield; all others--Denver: Mary M. Hintz, 2217 E. Evans Ave; Robert & Doris Hintz, 3465 W. Florida Ave; W. H. Hintz, 1945 S. Josephine; Walter Hintz, 3565 S. Corona; and William H. Hintz, 6325 Pierce. In addition: "Who's Who In America" page 1288, has two listings for this name: Carl William Edmund Hintz, born in London, England (a descendant of the German colony in London during the days of the Hanseatic League?), with a long history of librarian service in various universities and colleges, who is now the Librarian, University of Oregon, and lives at 245 Pioneer Pike, Eugene, Oregon. And, Howard William Hintz, an educator, clergyman and writer born at Brooklyn, New York, and now a full Professor and Department Head at Brooklyn College, New York, living at 207-09 109th Avenue, Queens Village 9, Long Island, New York.

Hintz's living in the Burlington, Wisconsin area desiring copies of preceding issues of The Bulletin, should see Arnold Vorpagel at 440 Kendall, as he maintains a small reserve supply.

Reminiscences of Arthur F. Vorpagel

I was born on the old family homestead up in the "Knobs" on October 8, 1886. On March 1, 1892 when I was 6 years old, we moved down from the "Knobs" to the old Towslee Farm which is located just a mile or two east of Lyons, Wisconsin. I attended the Spring Valley School, plus Sunday and Bible schools. My classmates included the Otto's (who lived across the road from us) and the Schmidt girls.

My mother and father worked hard on the farm. My mother liked company and we had a lot of visitors including Aunt Augusta (Mrs. Ernest Kemnis) from Chicago, Aunt Minnie Bule from Brooklyn, New York, and many others. After I began railroading, your mother and I would go out to the farm and stay 5 days at a time as I was off 5 days each month. We had a lot of pets on the farm including a pig who would not associate with the rest of the pigs--only with our dogs; and a talking crow or raven who liked to swipe things--including your grandmother's scissors.

William Stoehr, Frank Dettman, and myself used to run dances every Thursday night in Lyons until Pastor Reiff got after us and made us quit. In 1916, I had a term in public office as "Supervisor of Roads." I oversaw the work--where it needed it the most, and supervised two men with a team of horses, who received \$5 a day at that time for doing the work.

When I was 20 years old, I made up my mind to go railroading, and started as a fireman when I was 22 years old on the CMStP&P RR Company. My parents at first were opposed to the idea because they thought I should stay on the farm, but I didn't like to milk cows. The first Christmas Eve found me involved in my first wreck. I was firing for Engineer Hagedorn on a Way Freight from Racine to Freeport when we saw another train approaching us near Freeport, Illinois. The engineer told us to jump, the conductor and I jumped, the engineer was killed, and the engine and three cars were demolished.

In 1908 I was with the Milwaukee Road for 3 months near Three Forks, Montana while the first tracks were being laid; Ray was my engineer. All I saw was ever-greens. I liked Wisconsin much better; when I returned I fired on the Main Line again. Was in another wreck near Freeport which was caused by a "wash out" of the tracks. At day break, after a heavy rain, the fireman and I looked out of the cab and saw our box cars toppling over one after another...this kept up until only the engine and one box car were left standing. On October 21, 1928, had a head-on collision with another engine near Delavan, Wisconsin. I saw him coming, stopped the train, walked over to the fence, watched the other crew jump out, and saw them hit. The lighter engine jumped right on top of mine! In October of 1940, I hauled the Wendell L. Wilkie Special. On December 9, 1950, as I was coming from Savanna, Illinois with a train of 88 cars in a snowstorm, the snow must have piled up and uncoupled a car--with the result that I lost 66 cars containing fruits, vegetables, and livestock, and didn't even know about it until we came into Burlington!

We all attended the World's Fair in Chicago in 1932-33, and in June of 1937 you will remember our family trip out West to California where we met the Lambs on the train to Salt Lake City, and visited with the Knoepples at Fontana, California. In 1940, we attended the World's Fair at San Francisco, made the "loop" to Seattle, Washington and came back on the Milwaukee Road.

My Masonic Lodge is Independence #80 in Milwaukee, and the Locomotive Engineers Lodge #66. I like to smoke, play cards, and still enjoy my beer and Schnapps here and there, but not as much as I used to. My favorite foods include baked beans, potatoe pancakes, oysters, apple pie, and just about anything else that mother sets on the table.

Reminiscences of Emma Hintz (Mrs. Arthur F. Vorpagel)
2160 North 35th Street, Milwaukee 8, Wisconsin

I was born on a farm near Burlington, Wisconsin on December 1, 1889. My Dad's family all came over at once from Germany and he was 7 years old at the time (1857). My mother came over with her family, consisting of her father and mother, 2 sisters and 1 brother; the oldest brother, Albert Bublitz, came over first and located in Milwaukee, Wisconsin. My mother was 17 years old at the time (1874). She met my Dad while he was a clerk in a grocery store. Later, after marriage, he bought a store and a home on 15th & Fond du Lac, Milwaukee--there he ran a store combined with a saloon, as they called it in those days. The store and saloon was not good for his health, so he traded the business and store for the farm where I was born this was done in 1886. My dad always liked farming. (Four children were born in Milwaukee and three more near Burlington on the farm.)

I really do not know the correct spellings of the towns in Pomerania, Germany where my dad and mother came from. I only know that mother came from Huentern, Pommern, and they always joked about that because it mean't that they were always behind!

We all worked hard on the farm--even the women had to work like the men. We had a 14 room house and had lots of visitors in the Summer from Milwaukee. As there weren't any cars in those days, we called for the visitors in a hay rack at the Depot. On the 4th of July we could always count on having at least 20 at a time. Mother made straw sacks and laid them on the floor in a 20 x 20 room--and that is where the girls slept, had pillow fights, etc. The men slept in the hay mow or loft. I can just barely remember my Grandad Hintz as I was only 6 years old when he died. He was a tall man like my brother Bill. I attended District No. 8 Grade School, and a Church School. My favorite school story was: "Black Beauty."

Your dad and I met in this way...we both went to the same church--where we were both confirmed. Of course, when he went to work for the railroad (CMStP&P RR) we did not see him very much (he was out at Three Forks, Montana)--only when he came back for a vacation--then he would come out to our farm "to visit my brother Louis." We were married at Cross Lutheran Church at Burlington on November 22, 1911 at 11 o'clock, having a small wedding with about 35 people present. Our 5th Anniversary was celebrated on the farm with about 75 people in attendance. Our relatives surprised us on our 12th and 25th Anniversaries.

We lived in Janesville, Wisconsin shortly after our marriage for about 5 months, then, we moved into Milwaukee and lived at the following locations: 31st & Park Hill; 30th Street off of Clybourn; 1 year on the farm; 31st & Mount Vernon Avenue; 34th & Lloyd; 36th & Galena; 2158 N. 35th Street; 2979 N. 84th Street; and now at 2160 N. 35th Street; at one time or another, we owned most of these houses, some we built.

Evelyn was born on September 28, 1914 at 9:30 PM--she was 2 weeks late. I went to a movie the week before she was born. Robert was born on April 10, 1923 at 11:00 AM--he was on time and weighed 10 pounds. Wilbur was born on February 26, 1926 at 9:00 PM and he weighed 9½ pounds.

Both your dad and I were confirmed at Cross Lutheran Church. In Milwaukee, we went at first to St. Paul's at 2812 W. Wisconsin Avenue which is where Evelyn went to Sunday School with the neighbor girls. Later, we joined the Evangelical Lutheran Church of the Reformation at 35th & Garfield.

Emma Hintz (Mrs. Arthur F. Vorpagel)--Concluded

Besides church, I belonged to and held various offices in several organizations: President, for the (railroad) Pension Association; Sentinel, Guide, Vice President, President, Past President, and now Secretary (for 16 years) for the Ladies Auxilliary. I have held various chairman positions with the Women's Missionary Society including: membership, coffee, etc.

My hobbies include: tating, crocheting, embroidery, sewing, baking, cooking, and eating. I used to like to paint, but now I am all caught up on that. I enjoy all kinds of food except oysters. I love turkey, duck, chicken, fish, shrimp, and cheese torte. I love to go to church and am glad I live so close to church again.

Report from Louis & Sophie Hintz, by Arlene Hintz--500 Perkins Blvd. Burlington

My father believes that his Grandfather John and Grandmother are buried in the Union Cemetary in Milwaukee.

My dad has two death certificates for the 2 children of Grandfather Charles that died in infancy: Helene Hintz, born October 17, 1881 in Milwaukee; died there on February 22, 1884. Johann Hintz, born on March 10, 1878 also in Milwaukee and died there on November 28, 1884.

Mother says that Grandfather John died of rheumatic fever. The church from which they were buried was on 19th & Vliet Streets in Milwaukee, according to my dad. Dad believes that Grandfather John's wife's maiden name was Knoll. He also thinks that he was a cabinetmaker as Dad has some of his carpenter tools (my brother Glenn also has some of these). Dad remembers visiting Grandfather John in Milwaukee when he was a little boy. He also remembers him and Grandmother visiting here on the Hintz farm, and Grandfather John taking him in a wagon to Burlington to buy him some shoes. Dad thinks he died of cancer.

I suppose you know that Grandfather Charles (C. L. William Hintz) had a grocery store and saloon on 16th & Fond du Lac Avenue in Milwaukee until they moved on the farm (near Burlington, Wisconsin) in 1886. Dad has a ledger that Grandfather Charles kept while they had the store. His handwriting was very beautiful to see, and it is interesting to see what food prices were in 1884.

(Louis Hintz at present is retired, but during his working years he was an electrical contractor from 1919 to 1939. He did lawnmower repairing from 1938 to 1958, and saw sharpening from 1956 to 1960. For many years after he left the home farm, he ran a threshing crew at harvest time, this took place during the years 1916 through 1948. He bought his first rig in 1910 which was a Case engine powered by gasoline. In 1911 he bought a Case 60 h.p. steam engine. From 1912-1936-1948 he used a Case Threshing Machine. From 1928-1948 a Rumley Oil Pull was used.) Uncle Louie and Bill also had a Civil War cannon which was used to help wedding celebrations...One day a super charge of black powder was rammed down the barrel with shovels full of wet clay and earth. When it went Kaaa-boom! --that was the end of that cannon!

HINTZENSTERN

"(Erroneously designated as Hintzern on the table)- Emanuel Leonhard - Satellite (Assistant), Christian Wilhelm - Ensign, and Karl Ludwig - Volunteer, all in Royal Swedish service, the brothers Hintzen (plural of Hintz) and their fourth brother, Johann Hermann Friedrich, natives of Pomerania, attained the rank of imperial nobility at the knights level by means of the title "von Hintzenstern" at Vienna on December 5, 1753.

Now only the latter name (Hintz) is used.

The decendants gained and possessed in Mecklenburg 1768-1791, Masslow; and since 1849, an estate (farm) and church-Luetzenhof; with prerequisites.

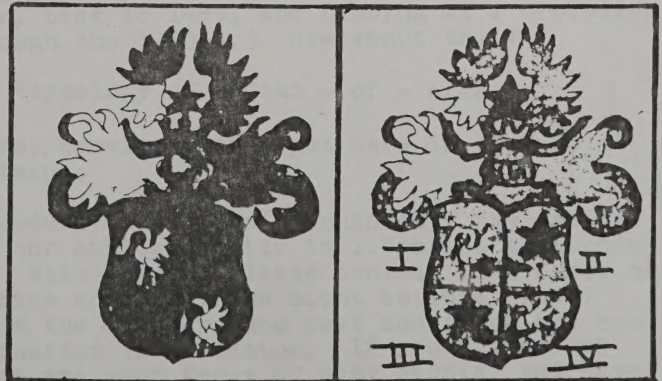

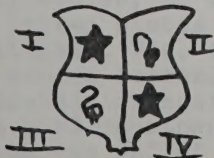

The crest is incorrectly drawn on the table, since according to the commission (patent) of 1753, the five-pointed star is situated in the I and IV fields (quarters), while the silver pelican, with wings upraised over the back, and on a green background, which is feeding three offspring with its blood, is located in the II and III fields (quarters) of the quartered shield.

The crowned helmet with blue-golden coverings (carries) the star between two blue wings!"

Arms: I and IV field of gold
5-pointed star in blue.

Crest: Helmet is crowned.
Between red-silver and
gold-blue wings is a
5-pointed star in blue.

Correct Quarters are:

Edition No. 1

Many interesting developments have taken place during the past few years that it has finally become necessary to make a special issue out of the working papers that have been accumulating. Some of you have only heard very brief reports of current and past findings. The time has come to get copies into more hands so that you will know how the job of researching has been going.

During the years 1961-1963, we distributed 139 pages of genealogical material, including 119 printed pages, 11 picture pages, 6 special plates, and 3 maps. A few years ago a printers estimate to print this in book form, allowing for another 50 or so pages was approximately \$8,000. Since then, the figure has climbed to about \$12,000. So you see a printed book will have to wait for a while.

In those 139 pages, we accounted for 832 domestic Vorpagels, 42 foreign for a total of 874. With the Hintz family and related lines add another 206 names to the list for a total of 1,080! (This was over 10 years ago. Our records need to be up-dated.)

Among the papers included in this edition, you will find:

1. A copy of "The Eduard-Karl Genealogical List" sent to us in the Fall of 1964, too late for our major publish-effort, which traces the name back to Metz, France and Brabant - 1611 showing the name reported as: Vorpoel-Vorpoel-Vorpoel-and Vorpagel. Since 2 generations were in French territory prior to 1685 (revocation of the Edict of Nantes) we could be considered Huguenots.
2. A copy of Pages 297-301 "Annual Of The Nobles Of Belgium, 1876" supplying the missing gap and linking the names Van Voorspoel and Vorpagel together, back to 1465, and hinting at a Crusading ancestor. (1095 through the 1200's.) How about that?
3. Etymology of a Name; Etymology of a Coat - of - Arms.
4. Copies of other papers, providing they get here in time to be included in this issue.

Needed a printer: to reproduce this issue in quantity, say another fifty*copies, to cover all of our copies on file in libraries throughout the United States and Europe. Will someone please contact Glen Hintz of Burlington, Wis. to get his price and see if he might be interested? All monies formerly onhand from the Treasury and past donations are now completely exhausted. Your donation is solicited. If you or someone else needs another copy, please see your Xerox or copy people, and have copies run off of this copy for them.

HINZE.

"A shield divided horizontally into two equal parts, the upper half silver the lower blue. In the upper part a sable in a walking attitude, in the lower part three gold roses, two above and one below. The crest is a demi-sable in rampant attitude pawing the air; it is between two ostrich feathers, the first one blue, the second one gold.

Hans Heinrich Hintze was from the family at Altona, and received from the Count Johannes Rist, the Coat-of-Arms on September 24th, 1662, at Wedel on the Elbe."

--Siebmacher's "Wappenbuch" Vol. 5, Part 3, page 80.

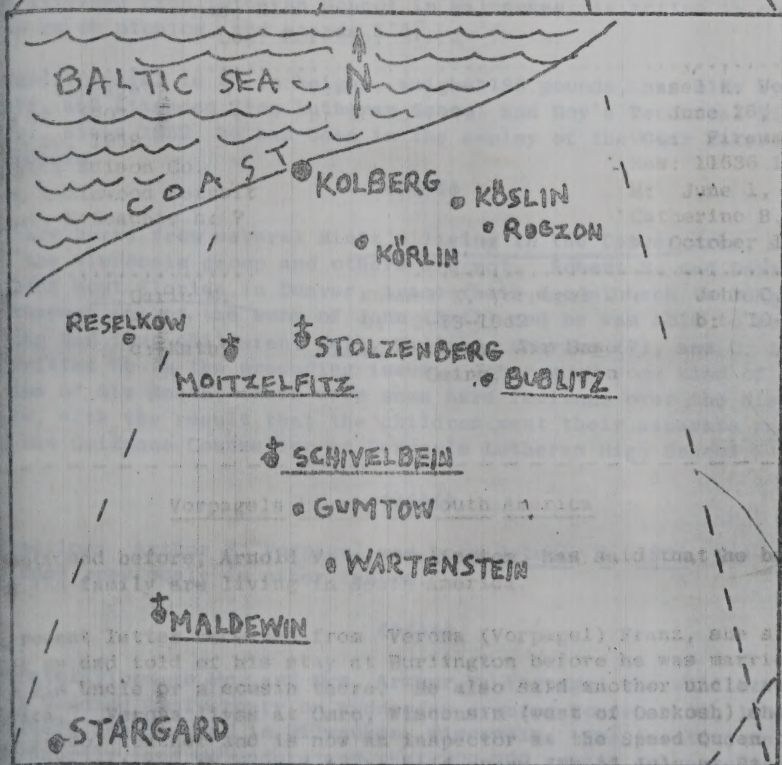

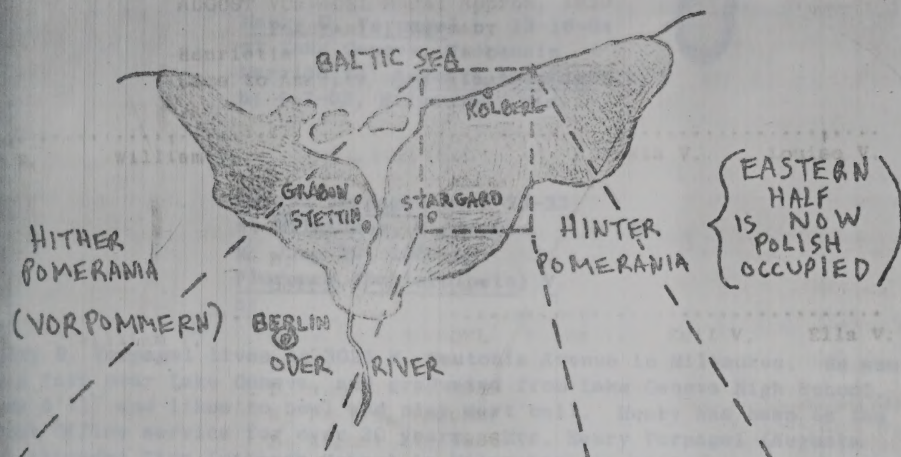

The sable, as all small fur-bearing animals, denotes perseverance and skill. Roses are emblematical of peace, hope, and joy. Ostrich feathers in the crest indicates high military rank. Silver signifies sincerity and peace; blue, loyalty and truth; gold, generosity and elevation of mind.

HINTZ is also spelled: Hintze, Hinsch, Hinz, Henz, and Hinze. It means: "A descendant of Heino (hedged place), and is a pet form of names beginning with Hag as in Haginold, Heinarad and Ginher." --"Dictionary of Amer. Family Names" Pg. 96, Smith, 1956.

We have heard from several Hintz's living in the Denver area, some are related to the Wisconsin group and others are not. Robert F. and Doris Hintz who live at 3465 West Florida in Denver, trace their decent back to John Hintz, being related through one of the sons of John (Emil) and he was able to report the following. John had four children: Emil, William, Charles (?), and C. L. William Hintz was written up in the preceding issue. John owned some kind of a mill, and at the time of his death, there were some hard feelings over the distribution of the estate, with the result that the children went their separate ways. Robert F. Hintz is the Guidance Counsellor at Denver's Lutheran High School.

((()))

Correction: Arthur F. Vorpapel was born October 8, 1885, and not 1886, as mentioned previously in other issues.

D. d. Wien 30. Dezember 1767 erlangte der Herzogl. Mecklenburg. Lieutenant Christian Ludwig Haften, dessen Grossvater Heinrich aus Holland nach Cleve geflüchtet und dessen Vater neunundvierzig Jahre lang Herzogl. Mecklenburgischer Rath und Postdirektor gewesen war, den Reichsadelstand. Die Nachkommen besaßen 1780—1804 und 1812—1827 Alt-Poorsdorf daselbst und gingen später in Preussische Dienste, wo — wahrscheinlich zur Unterscheidung von der gleichnamigen Rheinischen Familie (welche dasselbe Wappen nur mit anderen Farben und Helmkleinod führte) — allmählig die Schreibart Haeften gebräuchlich ward. Erst durch Kgl. Preussische Cabinetsordre vom 22. April 1836 ward die diplomgemässe Schreibart Haften wieder angenommen. Das auf der Tafel nicht ganz diplomgemässe Wappen (es dürfen in jedem Pfal nur drei Eichenhüte stehen) führt als Helmkleinod einen offenen silbernen Flug und blausilbern-rothsilberne Helmdecken.

Haeseler.

Diese, von der gleichnamigen Preussischen Familie ganz anderen Wappens, aus der ein Zweig noch im Grafenstande blüht, durchaus verschiedene Familie erlangte d. d. Wien 1. October (nicht November) 1801 den Reichsadelstand in Person des Herzoglich Sachsen-Coburg-Gothaischen Geheimen Raths Gottlieb Haeseler, Herrn auf Gr.- und Kl.-Schwansee (bei Grevesmühlen i. M.). Der Adel wurde in Mecklenburg am 8. Dezember ejd.

*) Obwohl mit dieser Tafel noch bei Weitem nicht alle „Ergänzungen und Nachträge“ zu dieser Abtheilung erschöpft sind — vgl. z. B. v. Lehsten, der Adel Mecklenburgs und das vorzüglich Mecklenburgische Urkundenbuch — glauben wir doch den verehrt. Lesern den Text zu dieser Tafel nicht länger vororthalten zu sollen.

anerkannt und die Familie 1844 in die Mecklenburgische Ritterschaft recipirt. Das Wappen nach dem Diplom ist ein auf grünem Boden (nicht Dreiberg) unter blauem Schildhaupt schreitender goldener Widder im silbernen (sict) Felde. Auf dem gekrönten Helme zwei von Silber und Blau überckgetheilte (also nicht blau-silberne) Büffelhörner. Decken: blau-silberne. Das auf der Tafel sub „anderes“ gegebene Wappen dürfte entweder ein Allianz- oder das vordem geführte bürgerliche Wappen sein.

Hintzenstern

(irrig auf der Tafel als Hintzern bezeichnet) — Emanuel Leonhard, Trabant, Christian Wilhelm, Fähndrich, und Karl Ludwig, Volontair, sämmtlich in Königlich Schwedischen Diensten, Gebrüder Hintzen und ihr vierter Bruder Johann Hermann Friedrich, stammend aus Pommern, erhielten d. d. Wien 5. Dezember 1753 mit dem Prädikat „von Hintzenstern“ den Rittermässigen Reichsadelstand. Jetzt wird nur der letztere Name geführt. Die Nachkommen erwarben und besaßen in Mecklenburg 1763—91 Masslow und seit 1849 Hof und Kirch-Lützenhof mit Pertinenzen. Das Wappen ist auf der Tafel falsch gezeichnet, denn nach dem Diplom de 1753 steht der (fünfstrahlige) Stern im I. u. IV., der silberne Pelikan, mit über den Rücken geschwungenen Flügeln auf grünem Boden, welcher durch sein Blut drei Jungen nährt, im II. und III. Felde des gevierten Schildes. Auf dem gekrönten Helme mit blaugoldenen Decken der Stern zwischen zwei blauen Flügeln (1).

Päpke.

D. d. Wien 23. Februar (ausgefertigt Wien 9. October) 1839 erhob Kaiser Ferdinand I. von Oesterreich den Justizrath Moritz Christian P., Herrn auf Lütgenhof etc. in Mecklenburg-Schwerin, in den Oesterreichischen Adelstand mit dem Prädikat „Edler von“. Der Adelstand wurde in Mecklenburg landesherrlich laut Rescript vom 21. Oct. ejd. anerkannt und die Familie 1840 in die Mecklenburgische Ritterschaft recipirt. Das Wappen ist ein gespaltenes Schild; vorn in Blau auf grünem Boden (nicht Dreiberg) zwei an silbernen Blätterhalmen wachsende goldene Weizenähren, hinten in Gold ein geschlossener rother (nicht schwarzer) Flug, jeder Flügel belagt mit einer von Silber über Blau quergetheilten aufrechten Raute. Auf dem gekrönten Helme mit rechts blausilber-

The crest is incorrectly drawn on the table, since according to

the I and IV fields (quarters), while the silver pelican, with wings

three offspring with its blood, is located in the II and III fields

The Top 10 Reasons I'm glad I got you for a Brother

10. 'Cuz you would have made a really ugly sister.
9. It made it easy for Mom & Dad to love me best.
8. You were a convenient prank victim.
7. Whenever I was feeling down or depressed, you were always there for me. I'd look at you and laugh so hard, I'd almost bust a gut.
6. Having you around always made me seem smarter.
5. You were fun to squeal on.
4. I think it was Nietzsche who said, "That sibling rivalry which does not kill us, makes us stronger."
3. I liked always being referred to as the good-looking one.
2. You were such a wimp, that even if you hit me, it didn't hurt.
1. You always had a great sense of humor.

You've still got that sense of humor...right?
I mean, you know I'm just kidding...right?

Happy Birthday, Bro!

I hope you were using your
sense of humor when you read that.
It is one of my God-given rights
as your sister to tease you. (☺)

Hope you have a wonderful
birthday. I don't always tell you,
but I am proud of all the effort
you put into wrestling and soccer.
Keep up the good work!

With Deepest Sympathy

Dear Flo,

How are you doing and how is Warren? Please write when you have a chance, although I know it is difficult for you. I do hear from Bud and learned Warren is in a hospital bed at home now, as Father was for 6 mos.

I was sorry to hear that Willis passed away. I remember visiting his home on a hill in the early 1960's and that was the last time we saw him. I hope you will be comforted in remembering at this time. Love,

Flo:

The Lord be with you at this time giving you His strength. Although I didn't know Willis I've heard about him from my parents all my life & know him from their words. I know he's up there

Thinking of you
this Christmas...

Dear Aunt Florence & Uncle Henry -

It was sure great visiting with you. It was nice Carol was able to bring you for the visit. When Mom moves into her condo, maybe another visit?

Guy and I both have been real busy. I'm thinking I have 2 weeks till Christmas, only to find I have 1 week. When is the time going. I've been sick with a chest cold for 4 weeks. I just can't shake it.

We hope you both stay healthy and wish you a great 96.

they presented unto Him gifts:
gold, and frankincense, and myrrh."

Merry Christmas

Happy Holidays and
Good Health to you both

Greetings! to all the graduates of Hitch School, also to the spouses, guests, and friends who have helped to make this reunion a success.

Our very special greetings to Mrs. Winifred Seitz Sargis, Primary teacher at Hitch School for forty three and a half years, who is with us tonight. Also, to Ms. Ward and Ms. Kawling, who graciously attended our first meeting.

The faculty and staff at Hitch were important to our lives. Their excellent teaching, patience, dedication, and insistence upon discipline certainly influenced us all.

We hope that this reunion will rekindle many happy memories for all of you and that some of you may even be able to renew some old friendships and make new ones.

May this evening be enjoyable for you all and may the future bring good health and happiness to each of you.

GILBERT J. WITDROD

4706 N DCONTO AVE

HARWOOD HTS, ILL 60656 4636

.....Best experience.....The graduation exercise pyramids. I was the smallest and lightest fellow in the class, so was on top. Alex Rizzo was top man on the other pyramid..... Who could forget Miss Murray?

1927-28

ARTHUR H. BUCHHOLZ

BAYSHORE WINDMILL VILLAGE, 18 HAGUE BLVD

BRADENTON, FLORIDA 34207

.....I remember the long winters and plenty of snow. I was a patrol boy at NWHY and Bryn Mawr.....Am now retired. Drove a truck for Jewel Food Stores in Chicago & suburbs for 33 years. Worst experience..... being caught sliding down the bannister in my last months of school by Ms. Murray. I was punished by sitting in the kindergarten class and not receiving a certificate of award for Patrolman upon graduation. Favorite hobby now is needlepoint on plastic and eating and sleeping. Looking forward to visiting with classmates.

1928

BEATRICE HUYG FROST

TIMBER PINES, 6083 PORTRUSH CT

SPRING HILL, FL 34606

.....Married to Bruce Frost for 55 years.....Lived in Deerfield, Ill, 50 years. Sorry that can't be at the reunion. It would be fun and interesting to meet some of my old classmates.....favorite girlfriend, Leona Thone Neuendorf.

1928

EVELYN METZLER PRITCHETT

3214 POPLAR DR

ISLAND LAKE, ILL 60042

.....I lived a block from the school, but was late most of the time! I was scared silly of Miss Murray. One year my teacher said my summer school credits at another school were not acceptable so was placed in grade 7A. Unknown to me, mother went to school, and I was terrified to be called to the principal's office. I was surprised to be greeted by Miss Murray with a smile and told to report to grade 8B. Oh happy day! My mother was one of the organizers and the second president of the Hitch PTA, which put me on the spot to be on my best behavior. Married in 1940, have 2 sons & 2 grandsons.

1928

LEONA THONE NEUENDORF

RT 1, BOX 384

12ABEL, OKLA 74745

.....I remember the time George L. taught me how to shoot a spit ball with a rubber band. Wouldn't you know it landed in front of Miss Corrigan as she turned around from the black board. She never was convinced I had done it, and I admitted I did.....Worst experience.....when I was running an errand for the teacher and dropped a piece of paper in the hall. Miss Murray picked it up and I was removed from my monitor job because of it.

1930

FLORENCE HINTZ LA GRAND

.....Best experience.....dancing for Mrs. Dahlin's Assembly after her Swedish honeymoon, and not being called to Miss Murray's office. Worst memory....running out of harmonica lapel pins before I got mine. Favorite pastime.....traveling, thanks to Hitch geography class.

1930

ROGER M. KIRK

Am 73 years young now, retired & enjoying life near my children & grandchildren. My best friend in school was Gladys Tamoj, but lost touch with her. Would love to hear from some of my classmates.I remember Miss Ingold who caught me chewing gum in class, and Miss Murray, the principal.....everyone was "scared to death" of her. Sorry I cannot attend.

ANNA RIZZO DNESTO

2167 HABERMAN DR

COLUMBUS, OH 43235

.....What a flood of memories you released when I received your letter! Our large family moved to 5725 N. Austin Ave in 1925.....We saw Hitch being builtit was just a big prairie before that, where we used to pick wild strawberries, asparagus, endive and many beautiful flowers. Milwaukee Ave. had only one street car extension line and we had to wait until it went to Devon Ave before it came back to Austin. I remember.....Gladstone Park where we played and skated in the winter. Although it was a depression time, we never knew how poor we were. My father repaired shoes in our basement and the teachers had us take their shoes to him for repairs. I married in 1935....have two sons and 6 grandchildren.....So sorry that we won't be able to attend, but we'll be visiting our son in California. I still don't know how you tracked me down ----it's great! We really had great teachers.....Here are some names of friends in my class who wrote in my old autograph book.....Raymond Lilla, Marie Fischer, Emma Horst, Frank Anderson, Gordon Franzer, Charles Peterson, Mildred Kessler, Evelyn Riggie, Mildred Woerner, Harrie Helt.

Best experience.... receiving the American Legion School Award for courage, character, service, companionship and scholarship. I have the original copies of the class Prophecy and the Class Will which was read at the Graduation Ceremony.

1930

EVELYN DANOVSKY OLSEN

27160 W. MAY ST

WAUCONDA, IL 60084

.....Saddest experience....When I was absent from Hitch for 6 months. My brother & I were victims of typhoid fever. We drank contaminated water from the well at the Edgebrook Golf Club.....I remember the "Young People's Concerts" at Orchestra Hall, tickets cost 50 cents a season, and we traveled for 3 cent fare on the Street Car.....Also, the outdoor Ice Rink at Gladstone Pk.....and the smell of wet wooden racks over the concrete fieldhouse floor where we sat on long benches to clamp on our skates, along with the scent of leather, wet woolen mittons & scarves. No miracle fibers then!Remember going through dark, scary Edgebrook Forest Preserve on Halloween? All the kids were guests of of a wealthy Coal Co. owner for weiners cooked in a huge iron cauldron.....And remember the one track Milwaukee Ave. Streetcar and how the boys delighted in pulling down the trolley to annoy the conductor & motorman? Also, when the Jefferson National Bank folded in 1930, my parents were wiped out.

1930

LAVERNE WOLF FOXWORTHY

9231 N 99TH AVE

1931

ELEANOR MARTENS FAGERSON

628 N CHESTNUT

ARLINGTON HTS, ILL 60004

.....I remember Ms. Sullivan, a fiery red-head, in 7th grade, when she broke a blackboard pointer on a boys back, and when she ripped the collar off a boy's shirt trying to pull him out of his seat.....We have 3 boys, 2 girls, scattered thru out the U.S., all doing well in their professions, and they have given us 9 healthy, smart grandchildren.

1932

LILLIAN KRAMP BOURNE
2219 LITTLE KALAMA RD
WOODLAND, WA. 98674

.....I remember walking to school through snow up to my hips and sitting in wet clothes. I can still see those blue and gold capes we wore in the Harmonica Band. I remember singing in the Girl's Chorus in competition with other schools. We thought Mrs. Murray, our principal was a real tyrant, but she was only doing her job well. My worst experience..having a fire drill while making fudge in cooking class. What a mess to clean up. Bette Gustafson Kiley and I used to dilly-dally so it would be too late to get to school, so the crossing guard who was a policeman would drive us to school in the orange squad car. What a thrill! My fondest memory is the Hot Fudge Sundaes we got after school at Babe's school store.

1933

CATHERINE KLINE GORMLEY
51 OLD OAK DR #302

.....Worst experience was walking to school in the winter snow!

1933

Would be happy to have anyone stop by at any time.

1933

BEVERLY LA BUDA KRAMER
7016 N TAKOMA AVE

.....Fun activities.....Being in the school plays, Mrs. Seitz's Harmonica Band, the girls cooking classes & my cousins Bill Jorgensen & Edward Hansen making nasty comments about my finished gourmet delicacies, the sewing classes & all of us making our own graduation outfits..red jumpers with satin blouses.

1933

WILLIAM SAMBORSKI

5323 MONROE ST

1935

WARREN EDWARD FALLANSBEE
FOOD MARKETING CONSULTANTS
10436 GREGORY CT
ST. LOUIS, MISSOURI 63128

.....Sorry I will not be able to attend the reunion.....but will be with you in spirit and with my proxy, Eleanor Follansbee Melander.....Most unforgettable experience was giving a book report on a book where I read only the first and last chapter, and having a girl follow me contradicting what I reported. Then having to confess later to Miss Ward that I faked my way thru and was caught.Also remember ending my career as patrol boy when George Fox & I were caught playing catch on the corner of McVickers & Seminole. Hitch school was a great experience for me. At graduation when I received my first pair of long pants... did I feel mature. ELK GROVE VLG., ILL 6007

.....I truly regret not being able to come.....but send warm regards to all. I'm married, have 3 children, two grandchildren and am still teaching at age 67! Happiest memory.....being Betsy Ross in the graduation play. Worst..... is getting up before the whole school to recite "Trees" and totally blanking out. Miss Murray to the rescue saying, "Let the program go on".

1935

NORBERT HOPPE
CHGO, ILL

.....Best experience.....acting in a play. Most fond memory.....is when Miss Murray gave me a chance to design the back drop for a Christmas play. It was about 8 feet high and extended across the whole stage. Art & design have become an important phase of my life, so enjoy creating & building things.

.....I remember the "Nun's Walk". They would keep their hands tucked in the sleeves of their robes and just "float" down the hallway. As an adult I tried to emulate that walk but fear I did not succeed....Also remember having a great deal of homework to do and enjoying my friends from Hitch school for they had very little homework in comparison.....Am widowed and owner of Saranecki Bros. Continental Catering.

1936
ELEANOR LA BUDA ZISKAL
5102 GREENBRIER DR
MC HENRY, IL, 60050

.....One of my fondest memories is Mrs. Doris Ward reading the poem, "Lil Baby with Sparklin' Eyes". Any graduate of Hitch who had Mrs. Barcel as a teacher knows their multiplication tables from one thru twelve without the use of a computer. Hitch always had great Drama & Music Assemblies.

1936

.....I'm sorry we will be unable to attend the grand reunion, but I'd like to send my very best wishes to everyone.....Have lived in Florida for 15 years, retired since 1976 with a beautiful wife for over 40 years, 2 fine sons, 2 wonderful granddaughters, and we have the warm Florida sunshine. "It doesn't get any better than this". Good luck to all.

1936
ROBERT OBERWISE

NORRIDGE, ILL 60656

.....I remember washing Mrs. Murray's car. I was captain of the Patrol Boys and she would call me out of class to wash her 1930 Ford. In those days, to own a car was "big time", and I enjoyed getting out of class.....Played the guitar in Mrs. Dahlin's school band. I could play about 4 chords. I lived less than a half a block away from Hitch. Spent 3 years in the navy, 1942-1945.

1936
LOIS FRANZEN WILLIAMS

...I recall Miss Birmingham, the second grade teacher as being very glamorous.

1936

MILADA FILKO ANDERSON

705 WOODMERE LN

GLENVIEW, ILL 60025

.....Best experiences.....Playing the violin in the orchestra, (squeaks and all), under Mrs. Dahlin's enthusiastic direction, which prepared me for playing in the orchestra at Schurz.....Taking the streetcar to Orchestra Hall with Mrs. Dahlin and other classmates. All of this has led to a lifelong love for music and especially for opera. Two of my children, Mark and Renee, also went to Hitch, for a time, and had Ms Seitz, Ms Alt, Ms Liberman, and Mrs. McDade, during the years when Mrs. Glynn was principal.

1936

BARTLESVILLE, OK 74006

.....After living in the Chicago area most of my life, we moved to Oklahoma a year & half ago. After several visits decided Bartlesville was a great place to retire. Have fond memories of Hitch.....wich I could be with you all.

1936

1937

MARION MAGOON ZAHN

358 MINOCQUA ST

PARK FOREST, ILL 60466

.....I always marked the papers for Miss Ward, but one April Fools Day my classmates dared me to play a joke on her. So I meekly said "I didn't mark the papers" and she flew into a rage and said, "I can't believe that you, of all people, didn't do what I asked". I raised my hand, and when called upon, said, "April Fool". Instead of being angry, Miss Ward laughed and said, "I knew you wouldn't let me down". I still write to Miss Ward, in her nineties now. She was the first one to tell me about this reunion.....Am now a school crossing guard, for 15 years, in Park Forest.

LAVERNE GUTZMAN ANDERSON

5437 N MOBILE AVE

CHICAGO, ILL 60630

.....It was Mrs. Dahlin who taught me to appreciate harmony, in the special chorus, and the basics of music. I remember our orchestra with Betty or Lydia at the piano, Leonara Rinquist on drums, Jack Martinez & Jim Moore with guitars and one of the violinists was a dear friend, Rose Gagliano. I remember marching into the Assembly Hall to the strains of "Country Gardens"....also the "Hallelujah Chorus" sung in 4 part harmony. It was beautiful.

1937

MIKE PICCOLO

3500 SALEM WALK

NORTHBROOK, ILL 60062

.....At the present time I am an apartment manager. What I remember most.... my sisters carrying me home from school. I was only 4 years old, in Kindergarten, and just couldn't make that one and a half mile. My best experience was...graduating.

.....Favorite memory.....opportunity to sing a solo on a local radio station, arranged by Mrs. Dahlin for her mixed chorus, and being awarded the American Legion certificate for best all-around graduate. Worst experiencemaking Mrs. Murray angry. She was a formidable, wonderful person. Am married, retired, two boys, one girl. Library Director for 11 years, now church librarian, and have new career as an appraiser of antiques and households. Sorry can't make the reunion. Hello to all.

1938

HARRIET GRUND PETERSEN
52 ARMSTONG AVE.
VENTURA, CA 93003

.....I remember walks to school amid the snow drifts.....being made to stand in the coat closet in Kindergarten for making the grievous error of skipping into the room after recess....and in 4th grade being reported by Bob Gastoff for throwing a snowball at him while he was a patrol boy, even though he pegged me with one first. Such justice! In 8th grade I was given the "honor" of being office girl and one of my duties was making up a cot for Mrs. Murray's afternoon nap. Wonder how many principals could get away with that these days. I have a kindergarten picture taken with George & Irene Crist, Herbert, Lewis, Albert, Bernice and Irene. Am enjoying retirement after working for 19 years for the Unified School District as a Purchasing Director. Have recently been widowed...husband was a Hitch grad. Have 4 children, all married and am a grandmother 7 times. Looking forward to seeing you in April.

She was wonderful to me, patient, caring and giving of herself and her time, and I never forgot.....I remember classmates....Harriet Grund, Bob Farrell, Fred Wojack and Mary Lou McCutcheon. I graduated from Lucy Flower, went to the service for 2 years, then graduated from Palmer College of Chiropractic in Davenport, Ia.Married in 1949, had 6 sons, 2 daughters and now have 20 grandchildren.Would love to be there.....If you ever have a reunion for Flower Tech 1941 please advise.

.....I remember.....how much Miss Dahlin contributed to my appreciation of music with those wonderful assemblies, the trips to Orchestra Hall, and the day our class sang "Water Boy" in four part harmony on a real live RADIO STATION! As I look back, I realize it was Miss Harkness who deserves much of the credit since she had the challenging task of teaching us to read notes way back in the fourth grade

.....I remember when Lydia Luptak & I were assigned to develop a project on the subject of China. At this late date I would like to apologize to Lydia - she did all the work while I daydreamed about China. Though the passing grade I received was undeserved, since it was based on Lydia's work, not mine, all was not lost educationally speaking because Chinese art forms have remained a fascination with me.I remember the wonderful luncheon the PTA gave our graduation class at Rosedale Park and how we so ungratefully turned up our noses at the chocolate milk because it was made, back in those depression days, from CANNED MILK!

1938
LYDIA LUPTAK GLUSS
926 TOMAWADEE LN

.....Best experiences.....Finding tickets in my desk from Mrs. Ward for the Youth Concert Series.....Listening to Mrs. Dahlin's philosophy and enjoying her music classes.....Pleasant elementary experiences.....Receiving a good education. (EDITOR'S NOTE: Lydia did not mention that she just recently retired as Principal of the Alexander Graham Bell School in Chicago, serving hearing, hearing-impaired, visually impaired and gifted children, and a school consistently rated as among the ten best schools in the city.)

I was a draftsman for 6 years, mostly during WWII.....Married to Bill, an engineer, in 1947.....We had 9 children, including 2 sets of boy-girl twins, and have 13 grandchildren. This year hasn't been too good for me....was in the hospital, and my oldest daughter died. Am still on oxygen so won't be able to attend....would like to purchase a copy of classmate memos.

MC HENRY, ILL 60050

.....One of my best memories.....being part of Mrs. Dahlin's mixed chours..... We all wore white & black and once sang the "Hallelujah Chorus".....Also remember having to pass a chow dog in a fenced yard at Mason & Bryn Mawr, while going to & from school.....Was scared to death of him, and sometimes ran past or to the other side of the street to avoid it.

1938
HELEN KOSTAS HALVERSON
272 COLLEGE ST
CRYSTAL LAKE, ILL 60014

.....My best & worst experience was on graduation day....the program was hilarious and embarrassing. I think the girls did some kind of dance to "Glow Little Glow Worm" & maybe the boys were in on that number too. They had those things that look like "bowling pins" and had to do an exercise to the same tune....My sister still laughs at the "Glow Little Glow Worm" number.....I was married for 46 years and just became widowed this year....raised 5 children and worked part time jobs, without considering myself a "working mom".

1939

Miss Murray was principal, and she could make anyone quake in their boots, including me.....Have been married 40 years, 4 children, 7 grandchildren, living in suburb of Philadelphia for 23 years. Sorry I can't be with you to celebrate the reunion.

1939

I keep in touch with Shirley Peterson Pfeiffer, Lenar Lindahle Day, and June Ringquist Stephan. Memories.....mixed chorus that sang the "Hallelujah Chorus" at the Library downtown. Would love to have anyone come visit. Love to all. Have fun.

1939

MARION GERCKEN RETTKE

WONDER LAKE, ILL 60097

.....Worst experience.....Walked to school during a Jan blizzard in 1935 and the school was closed. I was only 9 years old. At my graduation party at the Gladstone Pk Field House I ran my arm thru the French door window, required 35 stitches, but my classmates kept the party going until I returned from the hospital. Have been a widow for almost 4 years, keep busy doing marketing at a retirement home, traveling to Vero Beach where I have a condo, and gardening.

1939

GLORIA KAIL CZECHOWSKI

18315 DALLAS AVE

SCHAUMBURG, ILL 60193

.....Am presently a claim adjuster for Safeco Insurance Co. in Hoffman Estates. I lived two blocks from Hitch and walked home past Peter's Bakery to pick up "sweets" for my mother. Enjoyed the presentations in the auditorium.....always had a "speaking" part.....remember being on stage (it seemed so huge) singing "You Must Have Been a Beautiful Baby". Wow! Scary, then! I remember Adolph Paluch and his brother Stan. I had no bad experiences at Hitch....I loved every minute of being there.....it was a great neighborhood which I remember well.

LOIS METZ NADER
5314 N AUSTIN
CHGO, ILL 60630

.....My most embarrassing experience was in the 7th grade cooking class and we had to make fudge. Mine was the only one that didn't harden. What a brown gooey mess it was! It sounds unimportant now, but at that time I felt like a failure.....Also remember at Graduation how great it was going to be, to ride the bus & streetcar to Schurz.....How grown up I felt, but after 4 years and hundreds of rides, I thought why oh why didn't they build Taft sooner.

ROBERT JACKSON
623 PLUM DR
COLDWATER, ARK 45828

.....Am interested and would appreciate any information you can send me,..... It looks doubtful for me to be in attendance. My oldest son, his wife and 3 boys, are due home from Africa where he has been the Director of the Peace Corps in Liberia for the last two and a half years, and my wife and I might be baby-sitting while they re-establish their home.

REUNION DIRECTORY

**Reunion to be held:
April 21, 1989
THE WHITE EAGLE
NILES, IL**

Dear Reunion Goer,

Enjoy this Reunion Directory!! It is divided into four sections:

Lost Classmates

Classmates with Non-Verified Addresses

Alphabetical Directory

Geographical Directory

Your reunion event is months away; consequently, there are still many classmates for whom we have incomplete or incorrect information. **Please do your part!** Send us current information (or "leads") about any lost classmates or classmates with incorrect information. A "New Information Sheet" and a return envelope have been enclosed for your convenience.

Most importantly, use this directory to make sure your favorite classmates attend the reunion. Call those class members you would like to see. Encourage them to attend the Reunion!

A thought to leave you with.... The **June 1986 Issue of Psychology Today Magazine** featured an article on attending class reunions. A passage from the article:

"The overwhelming majority of people (who attend reunions) have a marvelous time despite initial apprehensions. More than 90% of attendees (interviewed after attending their reunion) would return again. So why not take the risk? The odds of having a good time are in your favor."

Dear Carol

I am 99 years old now,
so I am slow, lazy and
don't care to cook. My
daughter-in-law cooks dinner
and my Richard delivers to me,
he is so good to me. I had
eye surgery  in Oct. still
healing. Sorry to hear you
are having so many troubles
with the house in Florida.

Reading + writing is still
difficult for me

WISHING YOU A

MERRY · CHRISTMAS

Hi Lee + Carol,

12-9-09

It was such a treat to see the two of you at Mom's Birthday Party last summer! What a year we all have had - with health issues and their resolutions. Did I hear via the Grape vine that Lee had a problem? Maybe related to the fall last winter? You probably heard about Mom's broken shoulder Sept. 17. That was even scarier than the cancer, overall. Now, praise God, she is moving her arm and has only 2 weeks of therapy left (3x's a week)

We were grateful to get a week away up north on the Flambeau Flowage (where Dad loved) and stayed in a cabin (instead of camping) to celebrate our 30th anniversary which was the prior Dec. 26th.

Are you still traveling to Florida? We had a huge snow yesterday + today so Florida's warmth is looking better all the time! Take care.

 And a very happy and prosperous new year.

Love,

Gary + Judy

Seasons Greetings, you all!

You may have heard a rumor that we are moving to Kentucky, but it's not true. Not yet! We bought our dream vacation/retirement home but won't be moving there for several years. After all, it takes many years to move thirty years of stuff!!!

Bert has his own fishing pond and Jeanette has her own hill to climb, part of Tarter Knob, right next to Green Hill Knob. It is located about 18 miles from Lake Cumberland and 20 miles from Somerset, Kentucky.

You all heard that John and Blenda had a baby girl, Erika, who is now 6 months old! She is gorgeous!!

Another interesting development is that both of our daughters are getting married. Jenny Poprawski and her beau, Paul Jurganilus (West Virginia), are getting married at the courthouse on December 18th before their planned January 9th wedding in Costa Rica. Also, Jennifer Adams and her beau, Paul Eigenheer (Minnesota), plan to marry next year on 10/10/10, how cool is that??? Yes both Jennifers have Pauls! And Bert's middle name is Paul, doesn't that beat all?

Well, hope this letter finds all of you in good health!
Best wishes for a Merry Christmas and the Happiest of New Years!

From Bert & Jeanette Adams

Thinking
of You!

Dear Lee,

We just wanted you to know
we were thinking of you and
hope you are feeling better
from your surgery.

Hopfully Carol is giving
you a lot of TLC! ☺

Sorry we didn't get this
card in the mail sooner,
Mike & I were both under
the weather with bad colds
but are much better now!

Take care and get lots of
rest.

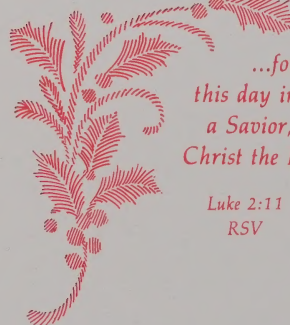

Love, Sherry & Mike

December 2009

It's that time of year, to wish you and yours good cheer.

I don't know what's going on but it seems like I had more days in the year when I was small. It seems like we just packed all the decorations away and now it's time to put them up again.

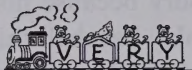

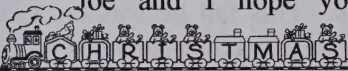

Joe and I are both fine. In fact, Joe's doing really good, ornery as ever. He had cataract surgery this fall. He said now he knows he is doing a good job with the laundry because his underwear is so white. We both enjoyed watching Devin play baseball this spring and fall. He played on a traveling team so we traveled all over to see the games. This fall he was on a kid pitch team and he was one of the lead pitchers. He was nervous but he did extremely well, of course, we aren't prejudice at all. He's getting so big and is still the light of our life.

My step-daughter became an independent contractor after she was laid off in March of this year. She worked for a moving company and estimated moving costs by going to customers all over the State of Ohio, into Indiana, Michigan, Pennsylvania, West Virginia and Kentucky. The company decided they would contract the work out because it would save them money on benefits, company car and computer. They said they would work with her on a contract basis. That meant she needed a new car and a new laptop. Within one day she had business cards and was going out to other moving companies to solicit their business. The challenge with this type of work is

that it really slows down during the winter and doesn't pick up until March. On top of everything else her husband was laid off the end of January and is still out of work. It's been a hard year for them. We'll say a prayer that things are better for them next year.

One of the hardest things I had to deal with this year was the death of my Mother. She passed away on Joe's birthday. We had just been up to Chicago to attend a family picnic and to see her. We drove home on Monday the 20th of July and my sister called around noon on Tuesday the 21st and said she had passed away. We drove back to Chicago on Wednesday. I miss her so and the thought of not being able to see or talk to her again is difficult but I know in my heart that she is in a much better place.

I've been busy with the publishing company. We've had several book signings and have sold about 1,100 copies of our first book, *The Guild in the Granary*, which is the first in a series. We are in the process of writing the second book and had hoped to have it ready for the press this fall but now it looks like it will be late spring or early summer. We did just print a book entitled *Glory* which was written by one of my partners. I've been glad for having something to keep my mind occupied this year

Joe and I hope you have a    and a happy and healthy New Year.

December 2009

Dear Carol & Lee,

As you can guess from the postage on our envelope, it has been a few years since we sent out our Christmas greetings. There is really no good excuse. We are constantly trying to fit more and more into what seem to be ever shorter time slots. Our correspondence is what suffers. So, with apologies, I will bring you up to date.

My mother's passing at age 86 in August of 2005 and the loss of Joe's sister Paulette to cancer in September of 2006 were very sad milestones.

By contrast, our joys have been many.

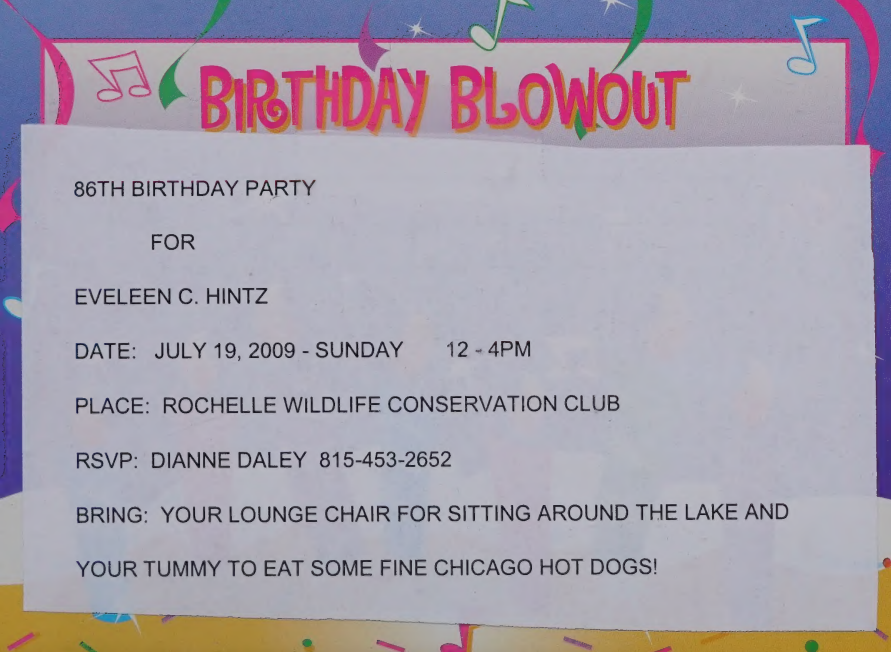

- ★ We have celebrated 42 years of marriage and have just returned from a trip to Spain and France.
- ★ Joe and I continue to work together in our customer research business and have seen it grow steadily.
- ★ For the past seven years I have served in a volunteer role on the executive board of Connecticut P.E.O., a philanthropic educational organization that promotes educational opportunities for women. In May I will finish my term as president.
- ★ In October of 2005 Carter Ketan Majmudar arrived and made us "Grammie" and "Grandad".
- ★ In July of 2008 we welcomed his little sister Sona Anabella.
- ★ We enjoy having both of our "kids" living nearby. Andrew lives in Fairfield and works at Subaru in Stamford. He is also taking courses at Housatonic Community College.
- ★ Juliet and Ketan returned from Mexico City last February and, after living with us for 2 ½ months, moved in just five houses away from us!

If we haven't heard from you yet this year, I hope that we will. We always treasure your cards, pictures and letters.

With love and blessings for Christmas and every good wish for the New Year 2010,

*Janet
and Joe*

Carol, you are so good about emailing me any news I need to know. Keep it up!
Janet

Drink plenty of fluids.

Lee,

I don't know if you and Carol ever had a dog big enough to drink out of a toilet! But yeah, they do that sometimes! Fortunately, Molly, our Golden Retriever, is not into that! I thought you could use a laugh after all you have been through lately. I just read Carol's emails yesterday

Urges Periodic Inspection of All Cars as Safety Move

"More than 75 per cent of the cars on local streets need repair," asserted Lou H. Walper the other day, who with Walter Hintz, have opened the L. and W. Auto Repair at 4728 Cottage Grove. "The best way to care for your teeth," he continued, "is to see the dentist regularly and get the faults corrected early, and the same is true with your car, before a terrible accident happens."

The two partners have a wonderful machine, the motor x-ray, which will test any operating part of an automobile automatically and accurately. The firm opened a few months ago at 4810 Cottage Grove, but moved to the new location since then. They have lived in Hyde Park and vicinity for 15 years and are well known. They are experts on the Hudson and Essex cars.

Mr. and Mrs. F. F. Fairy have returned from a two weeks' trip to the Dells of Wisconsin. They were joined on their return trip by their daughter, who was in training at the Chicago Normal School of Physical Education, We-to-ma-chek camp, Powers Lake, Wis.

The R. T. Wades, 5130 Kenwood, returned last Sunday from a 20 day trip

turned last Sunday from a 20 day trip through Iowa and Minnesota to the Black Hills of South Dakota. They have a marvelous collection of photos and curios.

Mon., March 28, 2011 10:00 A.M.

Interment
ST. ADALBERT CEMETERY
Lot 15 Block 11 Section 35 Grave 7

We little knew that morning,
God was going to call your name.

In life we loved you dearly,
In death we do the same.

It broke our hearts to lose you,
You did not go alone,

For part of us went with you,
The day God called you home.

You left us beautiful memories,
Your love is still our guide,

And though we cannot see you,
You are always by our side.

Our family chain is broken,
And nothing seems the same,

But as God calls us one by one,
The chain will link again.

George Raabe

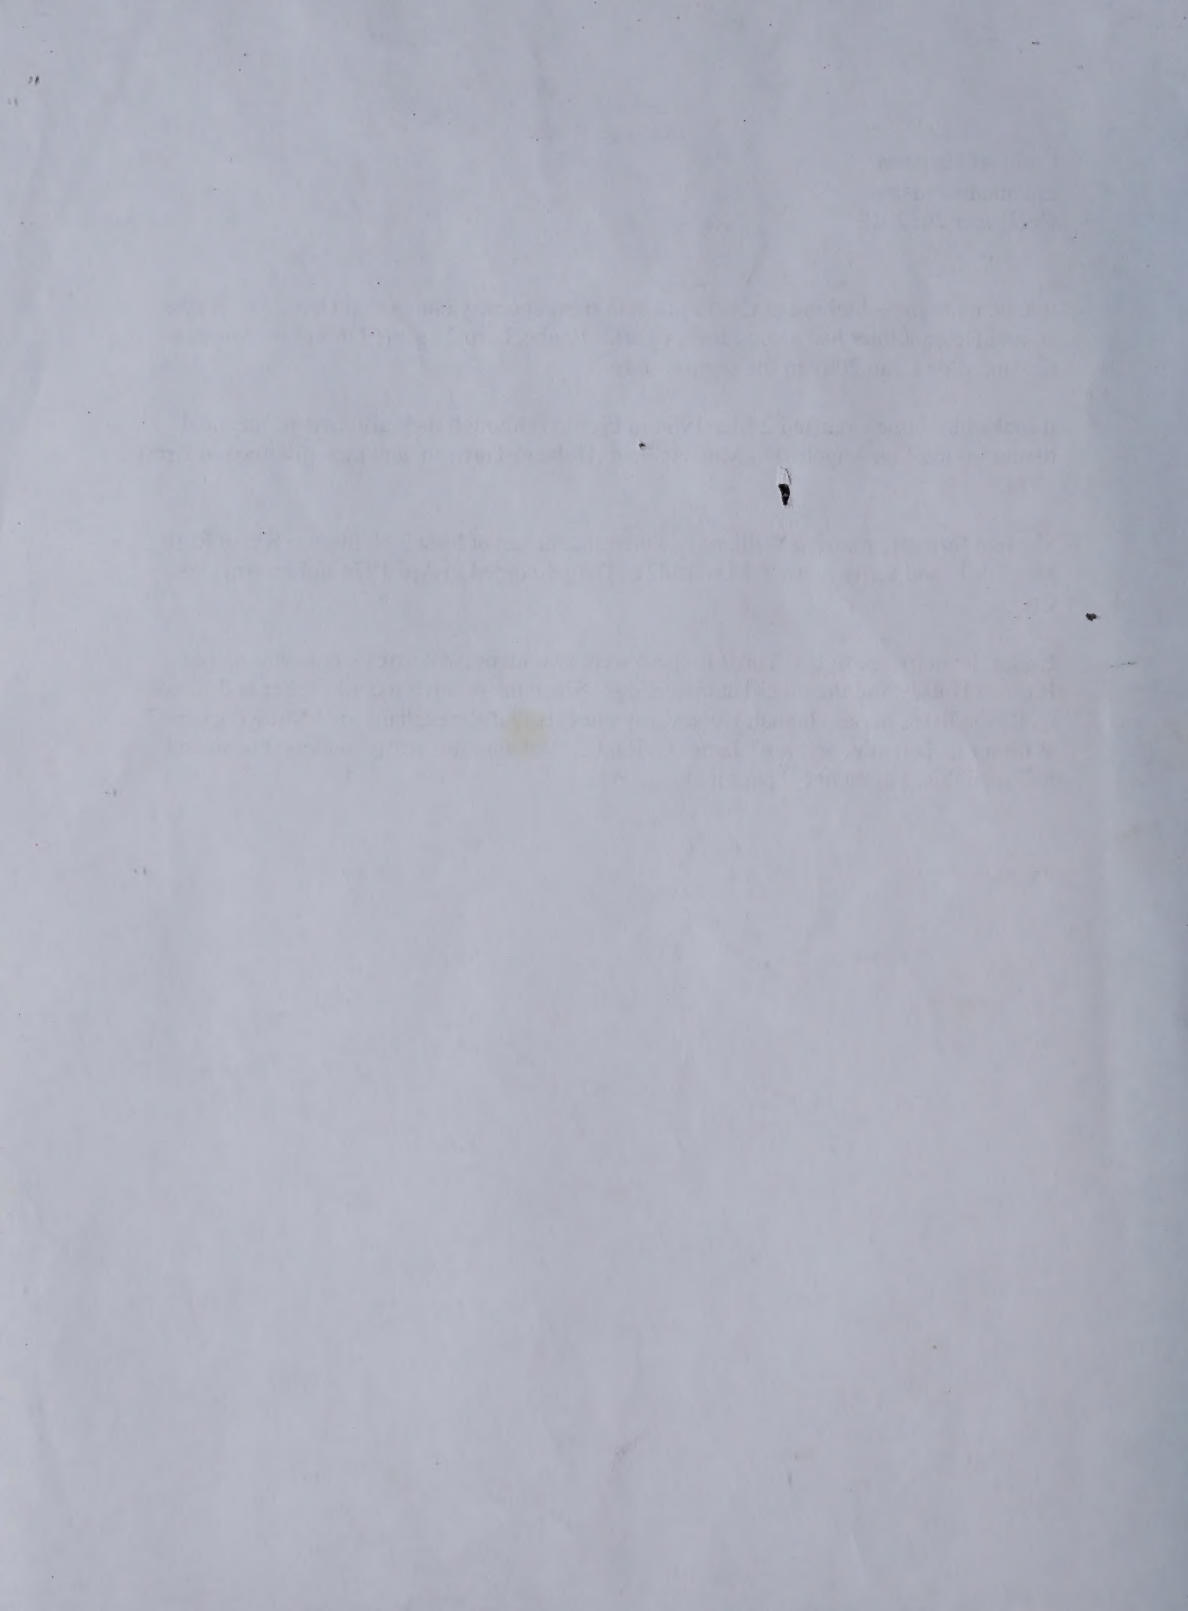

From Al Hamann
ashamann@tds.net
December 26, 2012

It appears to me – looking at California data from ancestry.com – that George C. Raabe Jr. and Helen Kibler had a son James Charles Raabe, born 24 Jan 1936 in Los Angeles Co. and died 1 Jan 2009 in the same county.

It looks like James married 2 Mar 1964 in Fresno (although they also had an identical listing saying Los Angeles) to Mrs. Hannah (Hulsey) Turritin, and then divorced in April 1974.

She had formerly married William L. Turritin and had at least 2 children – Kevin R. (b. 7 Mar 1961) and Kelly K. (b. 6 May 1962). They divorced in Apr 1974 in Los Angeles Co.

Under the marriage to Mr. Turritin there were two identical entries – one naming her Hannah Hulsey and the other Hannah Riggs. Since the divorce record for her and James C. Raabe listed her as Hannah Hulsey, my guess is that she perhaps m#1 Mr. Riggs, m#2 William L. Turritin, and m#3 James C. Raabe. Not sure this really matters, but since I had seen this, I thought I'd pass it along. AL

Carl Schurz High School

1910 — 1985

Carl Schurz

That great man, Carl Schurz, for whom our school is named, was born in the village of Liblar, Prussia, on March 2, 1829. He attended the Catholic Gymnasium of Cologne, and the University of Bonn. While at the University he came under the influence of Professor Johann Kinkel and served as a private with the revolutionary troops in 1849. He made an almost miraculous escape when the fortress of Ratstatt was surrendered. The next year he returned to Berlin under an assumed name, and succeeded in liberating Kinkel, who had been taken prisoner and sentenced to life imprisonment for treason. He and Kinkel escaped to Scotland.

For two years he remained in London and Paris. In 1852, shortly after his marriage, he came to the United States. He lived in Philadelphia for a few years, and then moved to Watertown, Wisconsin. Here his political career began.

Schurz became a strong Republican and made many speeches in favor of the Republican candidates. He was so well-known, that in 1857, although he had just become an American citizen, he was nominated Republican candidate for lieutenant-governor, and was defeated by only a very small margin. His first speech in English, made in 1858, during the senatorial contest in Illinois between Abraham Lincoln and Stephen A. Douglas, attracted wide attention and was known as "The Irrepressible Conflict."

In 1859 Schurz began the practice of law in Milwaukee. He attended the National Republican Convention of May, 1860, as chairman of the Wisconsin delegation. He was appointed a member of the committee to notify Lincoln of his nomination, a member of the National Republican Committee, which consisted of one representative from each state; and also a member of the Executive Committee, which at that time consisted of seven members. When Lincoln was inaugurated, he appointed Schurz Minister to Spain. He resigned this office after a short time, and returned to serve in the Union army.

As brigadier-general, Schurz, in command of a division in the corps of Gen. Franz Sigel, participated in the second battle of Bull Run. He was made major-general in March, 1863. He took part in the battles of Chancellorsville, Gettysburg and Chattanooga, and served under Sherman in the

Georgia campaigns. Schurz' resignation was the second one received at the end of the war in 1865.

In the summer of 1865, Schurz was commissioned by President Johnson to make a tour of the Southern States and to report of conditions and feelings there. He made a careful study of the subject and returned a satisfying report. He removed to Michigan and became editor of the Detroit "Post"; in 1867, to St. Louis where he was editor and joint proprietor of the "Westliche Post." He made notable speeches in the second Lincoln canvass, and also in the campaign of 1868, when Grant was elected the first time. Schurz was the first German-born citizen who was a member of the upper house of Congress when he was elected Senator by the Legislature of Missouri.

Although he had done many things contrary to the Republican platform, but which he thought were honest and best, he was asked by the Ohio Republican Committee to stump that state for Hayes. With great brilliancy he fought against things which he had fought against in the Senate. In recognition of his services, he was appointed by Hayes as Secretary of the Interior. In this office he did everything which was honest; was industrious, and handled his duties with intelligence and courage. He improved the Indian Bureau very much. Although he was attacked on all sides by his enemies, he kept steadily to his purpose and never swerved from what he thought was his duty.

He was prominent again in the campaign of Cleveland for the Presidency, and supported him both times. He was repeatedly chosen president of the National Civil Service Reform Association, and was active and made many speeches in that behalf.

Schurz' mastery of the English language was wonderful. He spoke the language of his adopted country without mistakes or false accent and had a rich and varied vocabulary. He used both English and German to great advantage in his career as orator, journalist, statesman, soldier and reformer.

Besides his great gifts displayed in his public life, he was, in private life, of a pure and amiable character, kind, affectionate, fond of music, simple and unaffected in manner and glad to be quiet and alone with his books. He died on May 14, 1906, at the age of seventy-seven years. Such was the man for whom our school was named! M.A.H.—'15.

The Jefferson Township High School. James B. Farnsworth, principal, was the first school organized under the general law providing for township high schools in Illinois. It opened in 1872 in a building used as a school and town hall later as a police station at the corner of Irving Pl. & Milwaukee Ave. In 1883 a new building was completed at Mayfair. Charles A. Cook, principal. Even after annexation to Chicago in 1890 it remained as a school district. In 1910 the present building was completed. Walter F. Slacum, principal.

Schurz-Jefferson Alumni

On the second floor of the above building, located on the site of the Northwest National Bank, Milwaukee and Irving Park, the Jefferson Township High School enrolled its first students in 1872. It continued as a high school until the Jefferson High School was opened in 1883.

The Jefferson High School was opened and dedicated on October 5, 1883 and served Jefferson Township until June 1910, when it too closed its doors and moved to Schurz in September of 1910.

On the Tuesday following the first Monday of September 1910, Carl Schurz High School opened its doors, joyously welcoming the 1031 young people who entered its gates that day. With its first principal, Mr. Walter F. Slocum, and the co-operation of its first teachers and students, it became the shining symbol of American education—a place dedicated to the preparation of young Americans for a happy and successful future.

During the first week, an orchestra was organized under the direction of Mr. James Mason, the first high school orchestra to be established in the Chicago high schools. The Schurz Choral Society too immediately began its work and continued as such for three years under the direction of Mr. F. W. Willard. In 1913, Mr. C. Lagerquist organized the music department and took over the Society. With the help of Mr. James Mason, he conducted the first Messiah at Schurz—the first presentation of this music to be presented by the city's high school choral groups.

The first Schurzzone was published under the direction of Miss Eleanor Beaton, in 1913. It circulated monthly and included stories, poems, limericks, current events, editorials, and news about organizations, shops, and athletics.

In February 1911, 1089 students were enrolled; in September 1911, 1216; in February 1912, 1281; and in September 1912 there were 1522.

So rapidly did the school continue to grow that in 1915, the Addison wing was completed in order to provide more rooms for the many students who wanted to attend Schurz. With the erection of this wing the night school was established in 1915 as a non-accredited school, offering classes in the shops, English, public speaking, seventh and eighth grade work, and classes for the foreign born. In 1924 it became an accredited school with an enrollment of 3,000 students, offering a large variety of subjects.

The guard system was organized, the Boys' Glee Club and Dramatic Club were organized, the orchestra had expanded to 40 members by 1913, an effective athletic organization had been formed, and the Irving Park Women's Club took over the management of the lunchroom.

The Schurz band was organized by Mr. Mason during 1917. It was small and rated not as a band but as a Drum and Bugle Corps to take part in Red Cross parades, victory demonstrations, drives, and other military activities of World War I. There was also the organizing of the Schurz Cadet Corps which captured second place in the competitive drill held as part of the military training for boys of the Chicago high schools.

In 1919 the R. O. T. C. was established for all high schools in the city and Schurz was one of the first to begin training its members. In the same year Schurz won the first Basketball City Championship.

During 1917-18 the Civics Industrial Club was formed and did a great deal to aid the war efforts of World War I. It made 4,900 trench torches for the soldiers in France, sent 100 current magazines and over 16,000 books to men in the service, and made 113 scrap books for military hospitals. It gathered 50 pounds of leather for aviators coats, 50 pounds of tin foil for the Red Cross, and distributed 86 Christmas baskets to needy families of service men that year.

In the foundry hand grenades were made and sent to the arsenal at Rockford, Ill. The woodshop students built 4 Red Cross tables for convalescent soldiers. They also filled an emergency order for 7500 probing sticks in three days for the Red Cross to use in hospitals.

A Red Cross class for first aid and home nursing was organized for the girls. Schurz was the only High School giving credit for Red Cross work. These girls made 1100 baby garments for the Red Cross and sent an exhibition layette to England.

One English class adopted an orphan boy and girl from France early in 1917, and adopted another orphan before school closed in June.

Clubs which met after school hours were an important part of high school life. The Triangle Club consisted of three sections: drama, literary, and civic. The Wireless club was organized by twenty boys in 1916. A Photographic Club, Latin, German, and French Clubs, were unusually active.

From the very beginning sports held a prominent place on the school calendar, with a rifle championship in 1916, a soccer in 1916, and basketball in 1919.

So with the ending of the first ten years at Schurz we find the girls putting their long full skirts and wide brimmed hats away in the attic and becoming what was known as "flappers" who were quite the opposite — wearing very short skirts and long waists. The boys too had to keep in style so they looked like Rudolph Valentino and became what was known as "sheiks."

With happy thoughts of what the future held in store, each of them eagerly looked forward to the future which was to bring many more achievements than the previous years had done.

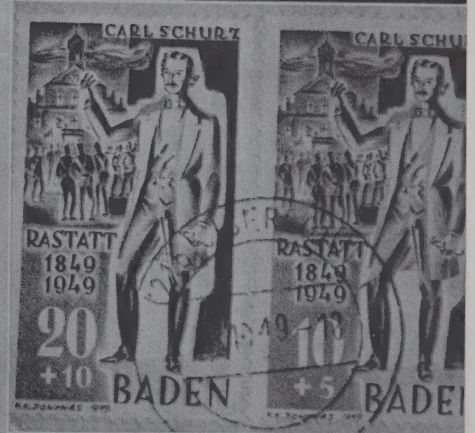

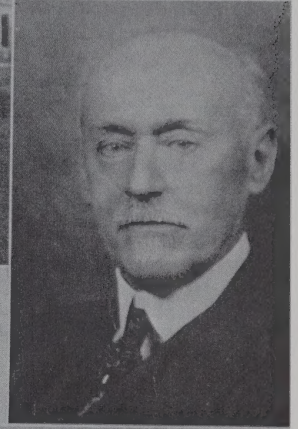

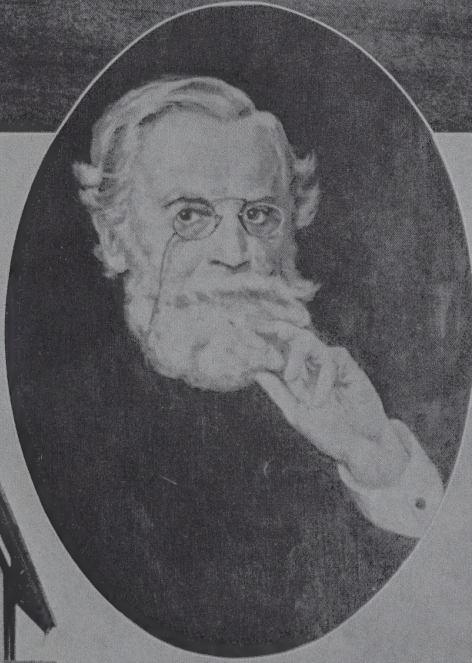

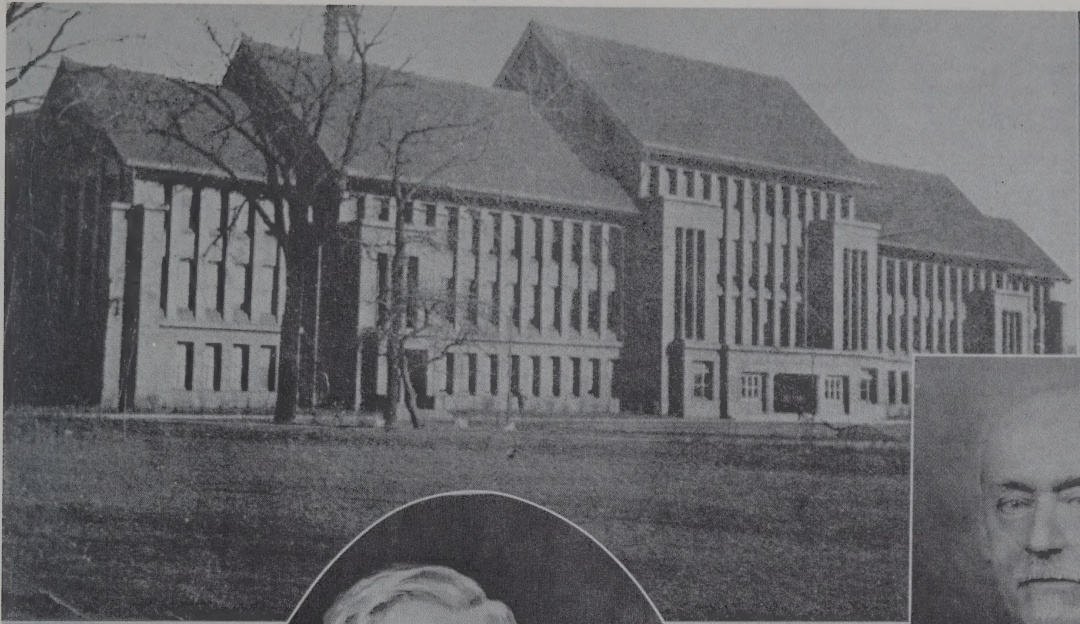

The First Decade, 1910-1920

Schurz as it looked in September, 1910, consisted of five floors in the middle section with three floors on either side as it is today.

Carl Schurz (center), for whom the school was named, was honored during 1949 by having a three-value set of stamps of similar design issued by the French occupied zone of Baden, bearing the inscription Rastatt 1849-1949. The stamps are 10 plus 5 pfennigs, green, 20 plus 10 pfennigs, red lilac, and 30 plus 15 pfennigs, blue.

Mr. Walter F. Slocum, first principal of Schurz, came in 1910 and remained until his retirement in 1936. During his 26 years of service many important events occurred. The first Bulldog Hop, the beginning of our newspaper, and several active clubs were among these events.

The Addison wing as we see it today was opened in 1915 to take care of the increasing membership which continued to grow so rapidly that the Waveland wing and the Triangle had to be planned for soon after.

The year 1920 brought more fame to Schurz. Sybil Bauer, the champion swimmer of the Olympic Team, established many world's records for the United States. Then, too, the lightweight football team won the city championship.

In 1921 Schurz became the first high school in Chicago to be placed on the honor list of high schools by the Inspector General of the Army.

About this time our beautiful campus was known as the play area—football, track and other sports were played there. When the wind stirred, a dust storm was created; consequently the teachers tagged the grounds "the dust bowl." West of the assembly where our present football field is located was a portable building in which the R.O.T.C. drilled and trained.

The R.O.T.C. presented the first Bulldog Hop in 1922. It has since become a tradition anticipated by the entire school on Thanksgiving Eve. In the same year, the basketball team won the city championship.

A journalism class was organized under Miss Beaton's direction in 1923 for the purpose of publishing a newspaper. The Schurz World, a weekly publication, soon made its appearance.

City championships were won by the soccer and baseball teams in 1924. The victorious baseball team, after winning the 1924 city championship, defeated Evander Childs High School of New York City and received the Cohen Trophy as winners of the inter-city game. 1924 also introduced the first semi-annual Schurzone and the first senior class play.

The June '24 class organized several committees and elected a group of students similar to our present notables with the titles of "Most Popular, Wittiest, Best Students, Best Athletes, Prettiest Girl, and Best Looking Boy." The June '25 class elected class Notables with titles similar to those of today. Among these ten were Most Talkative and Most Bashful.

In 1925, the Waveland wing and triangle were completed, giving us Schurz as we see it today. The Junior skating team won its first city championship then, and in 1926, the Senior skating team won a City Championship.

More championships were added to our ever-increasing list during the next year. The junior swimming team, golf, and senior football teams each took city. The first Lettermen's Club was also organized.

1927 found Schurz city champions traveling down to St. Louis where Roosevelt High of St. Louis and Schurz clashed in a thrilling football game which Schurz lost, eleven to nothing. Even though they lost the game, Schurz had the honor of being the first public high school to play an inter-league game with Mt. Carmel that same year.

The graduating class of 1928 produced Jimmy Evans, the famous sports announcer, who was president of his class and captain of the football team which again won the city championship. For the second consecutive year Schurz also won the city golf championship.

1929 was another successful year. The football team and the Junior and Senior swimming teams won city championships, thus bringing our total of championships to seventeen. For the girls it was hockey, basketball, baseball, and swimming, and they too won laurels.

Clubs continued to play an important part in High School life. By this time many of them were meeting during the last periods of the day. The Architectural club, the Aviation club, which admitted members solely on their ability to pass an entrance examination on the rudiments of aviation, Biology and Zoology clubs, Boys and Girls glee clubs, a Debating Society, Language clubs, a Chess and Checker club which numbered 145, a Radio club for Juniors and Seniors, a Magicians Conclave, a Pep club to attend all games, and the Lettermen's club were some of the active successful clubs during this decade.

Such was the progress of the second ten years at Schurz—a story which forms a never to be forgotten picture, destined to instill pride in our hearts. During this era, the flappers and sheiks still dominated the scene, the development of industry and science prevailed, transportation improved—the modern age was in view and all Schurzites saw a shining star in the distance laden with many opportunities in the coming decade.

The Second Decade, 1920-1930

For many years Room 501, present band room, served as the school cafeteria. Here we see a typical noon day scene in those early days when the students hurried up five flights of stairs in much the same way as they hurry today to our modern cafeteria on the second floor.

Sewing was one of the popular subjects then as now, and here we see a group of girls planning, fitting and stitching in one of their class periods. Note the finished garments in the background.

The airplane view shows the completed Schurz as it was in 1926 with the Waveland wing and triangle. The walks were laid and some shrubbery was planted but the campus was not completed until 1936. Some of the surrounding streets can also be seen.

The Third Decade, 1930-1940

Throughout the years 1930-39 Schurz proved over and over again to be an outstanding school in every respect, from sports to scholastic achievements.

1930 saw the Junior Swimming Team win its second championship. Upon the death of Mr. Charles Lagerquist in 1930 Mr. LeRoy Wetzel took over his work and organized the solo class which in 1934, numbered 600 members who participated in the 1934 Messiah accompanied by the 65-piece Symphony Orchestra directed by Mr. James Mason.

Champs again in '32 was the Junior Swimming Team. The Junior Skating Team was on top too, winning its second City Championship during the next year.

It was on Oct. 12, 1934 that the solo class was invited to sing at the Columbus Day Pageant at the World's Fair. Over 18,000 people were present, when the chorus, clad in black choristers' robes with white collars, sang four numbers under Mr. Wetzel's direction.

From the ashes of the Schurz World a new publication under the name Schurz News was brought into being in 1934 due to the fact that Miss Beaton had been granted a Sabbatical leave and the Schurz World was left without a sponsor. Our principal, Mr. Lakemacher, then a member of the Schurz faculty, with the help of two teachers sponsored the new publication. During 1935 he was the sole sponsor, and in '36 and '37 he was again assisted by two other teachers. During these years he also sponsored the Schurzzone which was left without a sponsor due to Miss Beaton's Sabbatical leave.

Another Championship was brought to us in 1935 by the Junior Indoor Track Team which repeated its success in '36. The Junior and Senior Golf Teams were also City Champions in '36.

The first Mikado, directed by Mr. Wetzel, was given in 1935 by the Choristers, accompanied by the orchestra directed by Mr. Mason.

On the evening of April 8, 1936 the pipe organ was dedicated and this occasion ended twenty-five years of work on the part of the students, faculty, and alumni. The dream of Mr. Walter Slocum, Principal and Mr. C. A. Petersen, Assistant Principal, came true that evening. The football team, the Schurzzone, the Schurz World, graduating classes, students, faculty, and alumni through their contributions made the purchase of the organ possible.

Mr. Walter F. Slocum retired on May 6, 1936 after 26 years of service and Mr. Thomas C. Johnson became principal in September 1936.

When this year ended we not only had three more City Championships—Indoor Track, and Senior and Junior Golf Teams, but our "front yard" was beautified with a lawn, shrubs, and trees. A P.T.A. unit was organized that year, and held its first meeting on Nov. 19, 1936. Credit is due to these first members and Mr. Johnson for the beautiful campus we have today.

1937 saw the Senior Indoor and Outdoor Track Teams win Championships. The Schurz Band won its first "S" in the annual band competition, and the Laurels Honor Society, Red Cross Society, and Student Council were organized.

The Solo Class won the privilege of representing Illinois at the National Music Convention in St. Louis in 1938, and the Rifle Team became city champions.

Mr. A. G. Bauersfeld came to Schurz as principal in May 1939 upon the retirement of Mr. Johnson. One of his first objectives was the restoration of the annual alumni meeting which had been discontinued in 1929 due to the depression and the conditions of the times.

During this time there were no startling changes in the Schurzites' styles. Skirts were not quite as short as in the flapper era and simple tailored clothes became the perennial favorites, while the boy's fashions remained much the same.

Thus ten more memorable years were added to the history of Schurz High School—an example of the progress made since that long ago day in 1910 when our doors opened for the first time.

The two pictures, "before" and "after," show the startling change made in our "front yard." What had been the "dust bowl," scene of all outdoor athletics, became, in 1936, one of the beauty spots of this community.

Mr. T. C. Johnson, who became our principal in 1936 retired in May 1939 to be succeeded by Mr. A. G. Bauersfeld.

The pipe organ, dream of Schurzites for twenty-five years became a reality in '36. Throughout the years it has played a leading part in all of the musical productions for which Schurz has become famous.

The Fourth Decade, 1940-1950

"It is the finest thing I have done in all my seventy-eight years." These words of Gustave Brand echoed the enthusiasm of the Schurz art students who had a part in decorating the Schurz library in 1940. In a contest among the students in the art classes it was decided to depict the history of writing in the four periods of civilization. In addition, a frieze representing 27 famous men and women adorns the walls. In 1941, the mural on the ceiling over the library office was painted, and the theme, The Spirit of Chicago, tells the story of our city from the time of the Indians to the Greater Chicago of Today. Mr. Gustav Brand, noted artist, volunteered his services and supervised the work.

In 1940 the Senior Outdoor Track Team won the city championship, the Junior Skating Team, the city championship in '41, and in '42 the Junior Indoor and Outdoor Track Teams each won a championship.

World War II found Schurz doing its part by contributing to the Red Cross, cooperating in the book, paper, and scrap drives, buying war bonds and defense stamps, and aiding the war effort in every way possible.

In '43, '44 and '45 the Junior and Senior Track Teams, both Indoor and Outdoor brought championships to Schurz.

In February of '45 Mr. Charles A. Buell came from Taft to take Mr. C. Bilhorn's place as Assistant Principal when Mr. Bilhorn was appointed to the principalship of an elementary school. In June of '45 Mr. Bauersfeld retired, and in the following September was succeeded by Mr. Carl G. Tietz, principal of Lloyd Elementary School and a former teacher.

The War Memorial Fund was started by the January '45 class and the four succeeding classes, with the exception of the January '47 class, contributed their graduation gifts to it. The endowment in perpetuity of a bed and room at La Rabida Sanitarium, a convalescent home for children suffering from rheumatic fever is our World War II memorial. A bronze plaque was also placed in the school corridor near the office.

In October of '45 the Schurz Veterans School opened with an initial enrollment of 5 service men. The membership grew so rapidly that the Addison wing on the 3rd floor was entirely given over to the school. The first graduating class in January of '45 numbered 16 veterans. To date 1921 have been enrolled and approximately 700 have received their diplomas on completion of their work and 250 more through the General Educational Development tests.

1945 also saw our Football Team rate as Co-City Champions and our Track Team as North Section and City College Relay Champs. '46, '47, '48, and '49 saw these Track Championships repeated. In '46 the Soccer Team won its first Championship since 1924 and in '47 scored a second, while the Football Team won the North Section Championship and advanced to the City Semi-Finals. The Chess Team Championship, the second Lenten program, the Bazaar in '47, and Country Fair in '49 were other successful events.

The Mikado was given in May of '49, and in June Mr. LeRoy Wetzel retired after 19 years of service, to be succeeded in September by Mr. Arthur Clark who had been a member of the music department since April, 1948.

Our 1949 Football Team were All-City Champions, the Golf Team won the City Championship, the Basketball Team were North Section Co-Champs, and the Track Team repeated its North Section Championship, all in '49.

Our first Gold Star of World War II gave his life at Pearl Harbor on December 7, 1941, to be followed by one hundred fifty others who made the supreme sacrifice while training at home or in service over seas. We pause to honor them and the hundreds of our other boys who answered the call of their country and joined the ranks of soldiers, sailors, marines, and airmen.

The fine vocal music work for which Schurz has become famous is not confined to the choruses alone. The Cecilian Choir, an all-girl group directed by Mrs. Luella Chapman Pierce for several years, participated in radio programs, contests, and concerts as well as in programs at Schurz, and won the highest praise for their beautifully trained voices and excellent work. Miss Schweitzer too, directed a very fine group of underclassmen, both boys and girls, and laid the foundation for fine voice work which paid dividends later in the senior choruses.

In the midst of our victories, our successes, and our activities during 1949-50 a note of sadness crept in, for on the evening of January 12, 1950 our principal, Mr. Carl G. Tietz passed away suddenly. On February 14, Mr. Robert E. Lakemacher, former teacher, was transferred from the principalship of Tilden High School to succeed him.

Part of the painting on the library office ceiling, and the scaffold erected in the balcony of the boy's gym on which the students worked are pictured at the top of the page with Mr. Brand beside one of the portraits in the frieze painted along the library walls.

World War II saw several bond drives and regular selling of Defense Stamps. The plaque erected in the corridor, and the bed at La Rabida Sanitarium are our World War II memorials.

The famous '49 football team and the '47 soccer team each brought new laurels to Schurz.

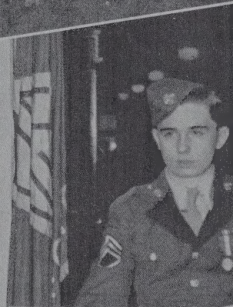

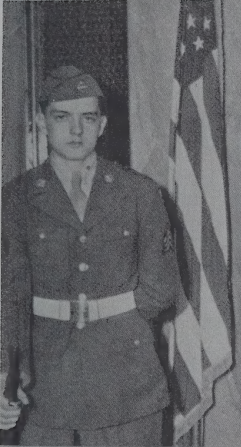

Mr. A. Bauersfeld (right) and Mr. Carl G. Tietz (left) were the principals during this decade when Schurz reached the heights in athletics, scholarships, and honors.

The Fifth Decade, 1950-1960

In the postwar period of the early 1950's, enrollment was at a low ebb in the upper 2000's, but the number of pupils climbed again during the late 1950's on the strength of the wartime "baby boom."

In this decade many physical improvements were made in the building. Laboratories and drawing rooms were rehabilitated, and a new language laboratory was installed with the most modern equipment. The recreational area north of the school was acquired for use by gym classes and teams.

In recognition of the outstanding choral presentations offered by Schurz over the years, on June 15, 1950, a special group of directors and technicians from the *ENCYCLOPAEDIA BRITANNICA* came to Schurz to make a film on choral music. The film was made for use as a teaching aid in junior and senior high schools and showed the chorus of Mr. Arthur Clark, who succeeded the masterful LeRoy Wetzel as choral director. The climax of the film was the singing of Noble Cain's "Music of Life" as sung by the entire solo class. The premiere of the film, "Vocal Music," was presented to the entire school on the evening of October 25, 1950.

The 1950 Schurz soccer team, under Coach Mike Pollack, won both the city and state championships. This group completed a perfect season, with no losses recorded during the year.

On June 15, 1951, the Schurz-Jefferson Alumni Association held its 63rd annual reunion. Founded in 1888 by Mr. C. A. Petersen, the organization strove to keep the traditions and memories of the school alive. Annual reunions kept fellow Schurzites in touch with each other, while preserving the hallowed memories of the school.

In the later 1950's many Schurz teachers began retiring after spending nearly their entire teaching career at the school.

The Korean War saw many Schurzites called to serve their country.

During the 1950's extra-curricular activities became a highlight of the Schurz scene. Who doesn't remember the club days that they attended in the 1950's? Each week an extra club period was included during the school day and each student was required to be in at least one of these groups, which were numerous and varied, ranging from checkers and chess to knitting, opera, languages, and even hypnosis.

The prestigious National Honor Society was introduced in 1951-52 by Mr. Roger Goodwin and Ms. Elisabeth Keenan. This organization is devoted to the outstanding Schurz academic achievers and stresses four cardinal principles: character, scholarship, leadership, and service. For many years students enjoyed the candlelit induction ceremony.

November 13, 1952 marked the 100th anniversary of the arrival of Carl Schurz to America. This occasion was marked at the school by a special citizenship assembly presented by the Social Studies Department. 300 guests were served tea afterwards, including the superintendent of schools, Dr. Harold C. Hunt. People who saw this assembly say it was one of the very best in the history of Schurz, with the entire life history of Carl Schurz presented to the viewers.

A great honor came to Schurz in 1954, when Coach Eugene Nowak led the Bulldogs to the State Championship in baseball. This was the first squad in baseball to accomplish this award at Schurz.

After heading both Hyde Park and Amundsen High Schools, Mr. George A. Olson took over the helm as Schurz principal in 1955. At this time Mr. Robert E. Lakemacher rose on the Board of Education ladder to the position of district superintendent.

June, 1958, marked the last performance of the continuing Gilbert and Sullivan tradition at Schurz, one that had continued since the 1930's. The Music Department's "The Mikado" was presented by 100 Schurzites in full costume.

World events caused America to again place more stress on education and scholarship. Many special honors classes in the fields of English, science, and mathematics were instituted for the able student beginning in 1958-59.

In sports history, the 1952 soccer team of Coach Pollack took the City Championship once again, while the 1953 team placed second in the city meet. Coach O'Keefe's Bulldogs won the football North Section crown in 1951 and were Co-Champs of the section in 1954. The 1953 bowling team won the City Championship. In basketball, Coach Postl guided his charges to the 1959 North Section Championship and repeated this feat again in 1960.

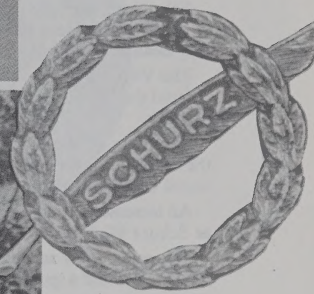

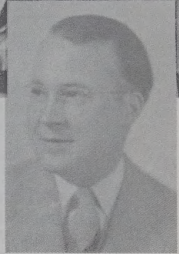

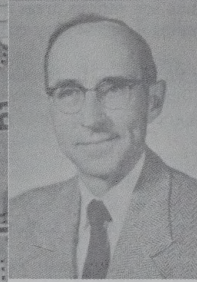

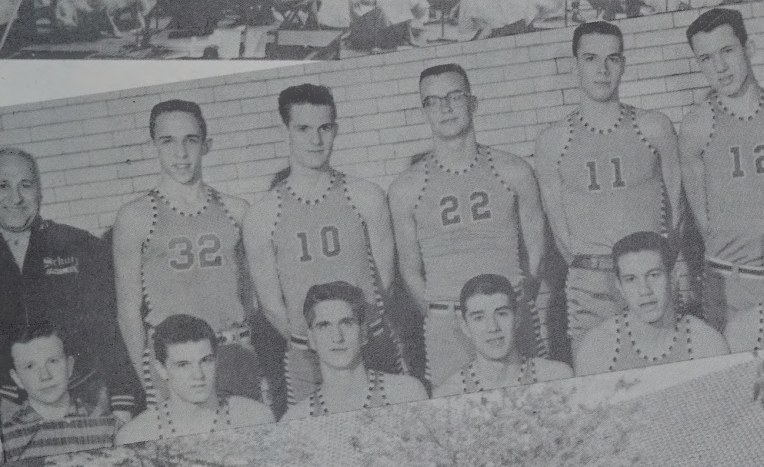

Handel's "Messiah" was performed for half a century at Schurz. This beloved masterpiece, a part of the Christmas season, was introduced to thousands of Schurzites over the years by the treasured Music Department. The last choral conductor to perform the work on a large scale was Mr. Arthur Clark.

With stunning upset wins over Taft and Lane, the Schurz basketball team, under Coach William Postl, brought the school the coveted North Section Championship in 1959.

In the late 1950's, academic excellence, represented by the Schurz laurel, became an important aspect of the curriculum. The National Honor Society, sponsored by Mr. Roger Goodwin for many years, was a goal for superior performers.

The Schurz campus always afforded an inspired moment, whatever the season, whatever the year. Former students always remember the park-like aspects of the school's front area.

Under the expert leadership of Mr. Mike Pollack, the Schurz 1950 soccer team battled its way to city and state titles.

The Sixth Decade, 1960-1970

Special recognition came to Schurz in 1960 with the designation of the building as an official landmark of the City of Chicago. The landmark plaque, mounted in the main entryway, explains that the Schurz building was chosen for its "majestic composition dominated by rising verticals in the walls, suddenly stopped by the deep overhang of high-pitched roofs set at varying levels."

In the early 1960's, Mr. Chet Kondratowicz started the Drama Club, later promoted and nurtured by Mr. Jeff Berke and Ms. Ann Rebek. Outstanding performances, especially of musical plays, became something to be expected over the years.

The Art Department won numerous awards during the 1960's. Gold keys and certificates of achievement were commonplace in the halls of Schurz High School then. The Art Department provided vivid decorations for numerous events in the school calendar.

In the Schurz Evening School, the tradition of quality education continued throughout the 1960's. Classes in English and Americanization, manual arts, humanities, and vocation education were designed to aid adults for various areas of self-improvement, regardless of their past backgrounds. Courses leading to elementary and high school diplomas and college prep work were all offered.

In the early 1960's, the 50th annual performance of Handel's "Messiah" took place, marking a full half-century of introducing this beloved masterpiece to young Schurzites. Over the years the musical performances at Schurz always remained superior high school productions. "The Seven Last Words of Christ" was a staple at Easter time for several generations of students. Who can forget the inspired 150th Psalm of Cesar Franck that concluded these Easter programs?

For a time, high enrollment in the 60's caused several branches of Schurz to be established at nearby elementary schools. Freshman students attended these branches at the Irving Park and Beaubien schools.

The Vietnam War took up a good number of years of this decade. Once again Schurzites entered the various branches of the services in order to serve their country as they had in past decades.

The tunes of the Beatles and Elvis Presley were highlights of popular musical art during the 1960's. Longer hair styles for the males appeared during the later 1960's and the traditional crew cuts of the early 1960's disappeared.

An increase in scientific methodology and progress was evidenced in 1964 when 2,400 students at Schurz High School received the oral polio vaccine as part of the school program.

The mid-sixties saw the introduction of Student Council week to Schurz. Student administrators and a special Teacher Appreciation Day became trademarks of this popular activity.

During the 1960's, the school yearbook, the SCHURZONE, continued to produce the outstanding work of Miss Theobald and others in past years at Schurz. In 1965, Mr. Korajczyk's staff scored a 97 out of a possible 100 in the highly regarded Columbia University contest for high schools.

When Mr. George Olson retired in 1965, Dr. Eugene M. Vandenberg assumed the principalship of the school after being transferred from Sullivan High School.

With a redistricting of the Schurz boundaries in 1965 and a changing residential pattern in the community, more students in need of remedial work in English, mathematics, and science began attending the school. The northern sections of the school district, which went to the city limits, were removed and sections to the south and east of the city were added to the Schurz area of service.

The computer world entered the area of student programming in 1967-68. This advance brought an end to the traditional plan of allowing students to select their own teachers and class periods, a practice which had been in effect at the school for twenty-five years.

Students of the 1960's bade farewell to some teachers who spent nearly their entire careers at the school. Superior instruction has always marked many teachers in various departments of the school. New and younger teachers became a trademark of the later 1960's.

In the area of sports, the 1961 golf team won first place in the city. Coach Bill Postl and his baseball team won the City Baseball Championship in 1962. Also in 1962, the Bulldogs and Coach Fred O'Keefe trounced opponents on their way to the Public League City Championship. The football team made the 1965 semi-finals at Soldier Field. 1965 brought the first city track title to Schurz in 17 years. A highlight of the decade was 1969, when Coach Cliff Pierce guided his charges to the Illinois State Baseball Championship with an outstanding group of athletes.

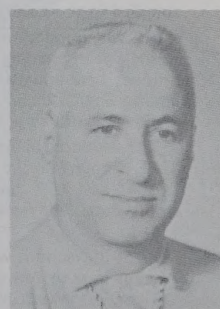

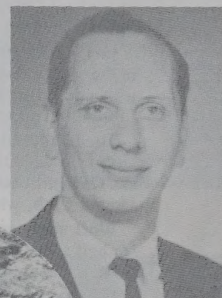

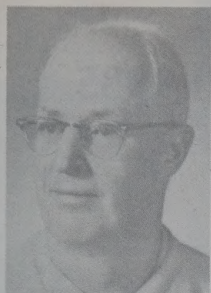

Fielding one of his best teams, Coach Fred O'Keefe took his charges to the 1962 Chicago Public High School League Football Championship. This football feat marked the first city title since 1949.

Continuing the superior SCHURZONE tradition established by Miss Irene Theobald and others in earlier years, Mr. Ronald Korajczyk was sponsor of the 1965 book, one that won a first place award in the Columbia University contest, scoring 97 out of a possible 100 points.

Coach William Postl guided his baseball team to the city title at Wrigley Field in 1962. This feat was followed in 1969 with a state title by Coach Cliff Pierce and his charges.

In 1960, Schurz High School was declared an architectural landmark. The always-beautiful campus was an inspiration to all.

In May of 1965, the Drama and Music Departments combined to give "The Sound of Music" to the student body. The work of Mr. Compton and Mr. Kondratowicz was the start of a long tradition in musical plays at Schurz High School.

The Seventh Decade and a Half, 1970-1985

Changes in the Schurz student population marked the period from 1970 to 1985. In 1970 the Hispanic population was five percent; whereas in 1985, that figure rose to roughly fifty percent, as the communities of Logan Square and Avondale experienced dramatic residential change. By 1985, the black population of the school reached fifteen percent. An apt slogan for the school became "A Block Long, but World-Wide!"

Mr. James P. Maloney became principal in September, 1970, and stayed at Schurz until 1978.

Academic changes were introduced over many years in the period from 1970-1985. Three comprehensive in-depth studies were conducted for the North Central Association in 1971, 1978, and 1985. All areas of the Schurz staff participated in the self study, which was followed by further investigation and recommendations by visiting committee participants from universities, colleges, and suburban and city school staff personnel. Courses such as film study, literature of the supernatural, psychology, environmental science, guitar, piano, Advanced Placement English, biology, and mathematics were added to the curriculum for students.

In 1970 Special Education programs were introduced to Schurz and by 1985 constituted a large number of classrooms in the school. Students with learning disabilities and with learning impediments of various kinds are offered a range of subjects and tutoring services. A recent addition for these students is on-the-job training in such areas as the school cafeteria. In addition to getting credit for graduation, the students also earn money as part of the program.

The Drama Club has annual projects presented by Schurz students and teachers. Under Mr. Berke's direction, this group has given such diverse offerings as FIDDLER ON THE ROOF (1974), THE KING AND I (1979), and THE WIZARD OF OZ (1982). In addition, an annual Senior Citizen Assembly began in the early 1980's. This December event is hosted by the Drama Club, which also hosts the small tea for seniors after musical and dramatic skits in Slocum Hall.

Work study programs were increased in the period from 1970-1985 at Schurz. In this area students ordinarily attend school for half a day and then report to their job training assignments in such diverse work areas as nursing, secretarial work, general office, accounting, and industrial jobs. In this way they earn both credit and a salary.

International Day, a highlight of the school year, was initiated in 1975. Dances, food, and crafts from dozens of countries are featured in this annual celebration. Students dressed in native costumes can be seen in the big gym from morning until evening, when parents attend the event.

Changes came to the halls of Schurz in 1975-1976 when the school underwent an extensive rehabilitation. Ceilings were lowered, hallways were brightened with new lighting systems, and fresh paint glistened in every corner of the building.

Mr. Gerald A. Gallagher succeeded Mr. Maloney as principal in 1978.

In September, 1982, the school was named a Music Academy. This special designation allowed students from throughout the city to attend Schurz in a program that emphasized both theoretical and practical music skills. The special music program was a fitting tribute to a school that was known for its outstanding musical offerings for decades. The tradition continues!

In October, 1982, Schurz was adopted by CRAIN'S CHICAGO BUSINESS as part of a city-wide program whereby business offered assistance to schools. Students at Schurz were given guidance in writing projects by Crain's staff members. Tours of the facilities of the newspaper were included as a part of the program.

The 1984-85 school year saw the addition of a special Aspira Program at Schurz. This program was funded with \$100,000 from the Coca Cola Corporation for the purpose of aiding Hispanic students. In particular, the staff of Aspira is planning to follow 100 students through their four years of high school at Schurz in an effort to study dropout patterns. The goal of the Aspira program is to keep students in school and off the streets. Tutors from various colleges and universities are supplied in most subjects and grades are monitored of all those who are enrolled in the program.

Scholastic endeavors were fostered by the Portage Park Women's Club, which encouraged academic achievement by sponsoring a yearly writing contest for high school students. Many of these contests were won by Schurz students. Further academic avenues were opened to Schurz students as part of the AFS scholarship program. Students from the school have gone to Japan, England, and Australia to study during summers. Grand prizes were won in city-wide competitions in the areas of woodshop, drafting, and machine shop.

The scholastic achievements briefly mentioned above were matched only by the athletic awards of Schurzites. In 1971 and 1972, Schurz won the basketball championship of the North Section. In 1984, Schurz won the Baseball City Championship. In 1976 and 1977, the soccer team won the City Championship and furthered their success by also copping second place in the state. The Schurz wrestling team took city in 1983.

Finally, the physical developments of this decade and a half also deserve some mention. The lovely elms that graced the walk of the campus were ravaged in the early 1970's by Dutch elm disease and had to be removed. The school building and campus were unique enough to be designated as a Chicago landmark on December 27, 1979. The building was designed by Dwight H. Perkins, whose ideas were so radical that the Board of Education fired him in 1910 for his extraordinary concepts in architecture. Schurz first opened in 1872 at the corner of Milwaukee and Irving Park. It was known as Jefferson Township High School. In 1973, the school marked its centennial on May 18, when a "Night of Nostalgia" festival of arts took place at the school. This year, 1985, marks the 75th anniversary of the present Schurz building. We look forward to many more productive years.

Coach Gus Pappas and Mr. Maloney beam with Captains Bill Drozd and Mike Filimowicz as they display the trophy they won in 1977 when they grabbed the City Championship in soccer. Fielding one of the best soccer teams in the school's history, Coach Pappas and his 1977 charges placed second in the state playoffs, only losing in the final game.

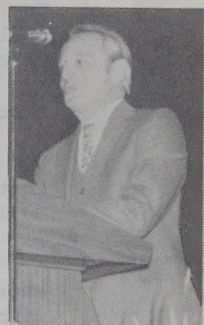

A winter view of the school affords a different perspective of the ever-lovely Schurz campus.

Mr. Berke's Drama Club members are shown presenting the Senior Citizen Show in 1983. This effort was started in the early 1980's and afforded special enjoyment during the Christmas season.

Mr. James P. Maloney served as Schurz principal from 1970 to 1978.

A scene from International Day is shown in 1978. Dozens of countries were represented with dances, food, and arts and crafts.

Dear Ms. Bender:

Thank you for your letter of March 16, 1985 in which you requested that I obtain an American flag which has been flown over the Capitol Building in honor of the 75th Anniversary of Carl Schurz High School.

As the Congressman for the 11th Congressional District of Illinois, where Carl Schurz High School is located, I was glad to make arrangements with the Architect of the Capitol to have a 5'x8' cotton American flag flown over the Capitol. Just as soon as the flag has been flown and returned to me, I shall forward it to you. With the flag will be an official certificate from the Architect attesting to the fact that the flag was flown over the Capitol.

In the meantime, I want you to know that it is a special pleasure for me, as a former teacher at Carl Schurz High School, to make this flag available to Carl Schurz High School with my compliments for I know that it will serve as a symbol of our freedom and remind all those who pass by the flag each day of the great democracy in which we are all privileged to live.

With every best wish, I am

Sincerely,

"Our paths may sever -
but I'll remember you ever....."

We now have the opportunity to test the validity of this affirmation. It will be fun to reminisce about classmates and events of 25 years ago! During the intervening years most of us have experienced and shared the deep and significant events of life - choosing jobs and careers - college - marriages - children - the loss of loved ones - World War II.

Although for many the past quarter century has been good, I think most of us want to believe that the best is yet to come. With the passage of time, I hope all of us have acquired enough wisdom to transmit some of the deeper moral and spiritual values to our children - and even our grandchildren!

The future should be exciting. Hope that we can meet again, before our golden reunion in June, 1985!
